LIBRARY OF CONGRESS WASHINGTON, D. C.

PAN-AMERICAN APPEAL FOR PEACE IN MEXICO IS BEING DISPATCHED

Legations in Mexico City Receive It First, Then the Mexican Leaders.

CARRANZA IS DEFIANT

But It is Probable Many of His Adherents Will Join in Conference.

No Misunderstanding With Argentine Government.

Washington, Aug. 13.—The Pan-American appeal to all elements in Mexico to cease fighting and join in a sincere movement to restore constitutional government began to go forward from the State Department tonight.

First the document was dispatched in English to the various Latin-American legations in Mexico City, whose attaches will translate it into Spanish and deliver it to the military leaders in that vicinity. Tomorow the appeal in original Spanish will be forwarded directly to Generals Villa and Carranza, governors of states, and many other chiefs in different parts of the country. The text will be made public here in a few days.

Institute Friendly Effort

With the appeal dispatched, this government will institute friendly and persisting effort to induce Mexican leaders who have shown a disposition to oppose the movement, to sacrifice their personal views in the common Mexican interest. That General Carranza will maintain the defiance he had indicated in his recent communications is expected by the administration, but it is regarded as probable that many of his generals and other adherents can be induced to join in a peace convention.

It is believed here that if a few of the Carranza generals participate in a convention of the factions, it will not be long before organized opposition to a new government could be effectively checked. In this connection it has been reported that Major General Hugh L. Scott, chief of staff of the army, who is remaining at the border at the request of the State Department, is expected to perform important missionary work.

As he knows many of the Mexican military leaders personally, it is believed he may exert a powerful influence.

Only Resistance from Carranza

Absolutely no resistence to the plan is expected from any source other than from General Carranza and in some quarters here the feling is growing that even Carranza himself may respond favorably to the appeal after he has studied its friendly tone carefully, and sees that he has been misinformed in advance regarding its purposes. General Villa and his adherents made it clear in a statement issued today by Diaz Lombardo, foreign minister at Chihuahua, that they are ready to eliminate themselves for the common welfare provided there is no recognition of the old cientifico group and that a constitutional government is restored.

Ambassador Naon of Argentina, hurried to Washington today to confer with Secretary Lansing concerning reports circulated that there had been a difference of opinion between the State Department and his government regarding the Mexican peace proposals. These reports said denial had been made here of a statement issued by the Argentine minister of foreign affairs that the Pan-American conference was based from the beginning on the assurance that any thought of armed intervention would be eliminated from the plans. After the conference Secretary Lansing said there had been no misunderstanding whatever, and that he had assured the ambassador there was no warrant for published statements which had aroused him.

No Misunderstanding With Argentina

"There has never been any misunderstanding with the Argentine government," Mr. Lansing said, "and in this connection I wish to say that intervention in Mexico was never mentioned at any of the conferences".

The Mexican border situation continued to absorb attention in official quarters today and was the subject of a conference between President Wilson and Assistant Secretary Breckinridge of the War Department. The President had before him the appeal of Governor Ferguson of Texas, for more Federal troops. Mr. Breckinridge submitted Major General Funston's reports regarding recent disturbances and outlined the military forces now on the border or at near by posts, about 17,000 men in all.

Later Mr. Breckinridge reiterated the statement that no more troops would be ordered to the border unless General Funston should request them.

No news of a disquieting character has come from Vera Cruz since General Carranza's announcements that Americans would be given full guarantees of protection. The battleships New Hampshire and Louisiana are expected to reach Mexican waters in a few days.

Secretary Lansing made plans for receiving with formal ceremony Jose Cardoso, Brazilian minister to Mexico, and for many months the representative of American interests in the republic, who is due to reach New Orleans Sunday on the U. S. S. Sacramento. Leon J. Canova, chief of the State Department's division of Mexican affairs, left tonight for New Orleans to meet Mr. Cardoso and to escort him

(Continued on Page Eight.)

MEXICAN OUTLAWS ARE BEING HUNTED

Band North of Brownsville Only Ones Undisturbed.

APPREHENSION IS FELT

Over Reports That If Americans Land Again at Vera Cruz Carranza Troops Will Attempt to Sack Brownsville in Reprisal.

Brownsville, Texas, Aug. 13.—Search for a band of about 30 Mexicans, some of them known to be direct from Mexico, proceeded tonight in the Mosquito Brush about 50 miles north of Brownsville. Meanwhile 1,600 United States cavalrymen and 1,000 infantrymen on patrol duty between Brownsville and Laredo, Texas, rangers and peace officers, used a swift and effective type of border justice which rapidly ran down fugitive Mexicans of bad records who are accused in connection with recent raids.

The Mexican raiders north of Brownsville are the only ones undisturbed. The band consists of about half of those who attacked the Norias ranch house Sunday night. Its members consists of men alleged to have issued a proclamation announcing they were attempting to conquer a part of Texas. At least 25 of the original members of this band came from the Mexican side, say officers here.

There is no apprehension here as to what the Mexicans may do in raids, but as to the truth of reports that in case of any reptition of the Americans landing at Vera Cruz an attempt will be made by Carranza troops in Matamoras to sack Brownsville in reprisal.

Efforts will be made to obtain more troops to protect the city.

Although the number of Mexicans killed in the raids is given officially as between 15 and 20 it is known that more have been killed. As long as the Texas communities are living day and night under the guard of United States army rifles, rangers and peace officers regard with instant suspicion any Mexican who is caught armed.

So thorough has the rangers' search been that there is reason to believe nearly all of the marauders have been driven out of the Brownsville section or are so frightened that they will remain peaceful until they get aid from Mexico.

Ranger Captains Fox and Sanders, who have been working in the section north of Brownsville, have had their men running down clews to identify the raiding Mexicans. It can be said on good authority that one of the clews indicated that some Mexicans in the interior of Cohuila brought word in advance to the compatriots in Texas that the recent outbreak was about to occur. There was evidence also that some of the principal leaders of the raid have gone back into Mexico.

Mexicans Cross Rio Grande

Twenty men crossed the Rio Grande from Mexico tonight near Mercedes about 40 miles up the Rio Grande from here. American officers, warned that such a crossing would be attempted, had disposed armed posses at several points where the attack was expected.

BULGARIA MAY DECIDE TO NOT JOIN ALLIES

Indicated Serbia Will Flatly Refuse Demands

Contention by Bulgaria for Large Portion of Macedonia is Said to Be More Than Serbia Can Possibly Yield

London, Aug. 13.—(Delayed by censor)—There are strong indications that Serbia will give a flat refusal to the demands announced by the Bulgarian premier, Vassil Radoslavoff, three weeks ago, and that the hopes of the entente allies of bringing Bulgaria into the alliance will come to nought, according to some diplomats here. Serbia's formal reply has not yet been given, but those best posted say Bulgaria's demands far exceed anything that Serbia could possibly yield.

The outcome is being watched with the keenest interest by the channelleries throughout Europe, as Bulgaria is the chief obstacle to united action by the Balkan states.

Bulgaria contends that by a treaty with Serbia the latter ceded to Bulgaria about 7,000 square kilometers of Macedonia which Bulgaria was compelled by the great powers to relinquish during her enfeebled condition after the second Balkan war. Bulgaria now insists that the original treaty be carried out and that unless she secures the return of Macedonia she will refuse to join the other Balkan states in assisting the allies.

WILL COTTON BE MADE CONTRABAND?

Lord Cecil's Statement Believed to Presage Action.

OF BRITISH PARLIAMENT

Gives Formal Interview Defining England's Attitude—Would Devise Policy to Protect Rights of Neutrals

London, Aug. 13.—Lord Robert Cecil, parliamentary under-secretary for foreign affairs, in the course of a formal interview today, defining the British government's attitude in the complicated cotton situation, made this statement.

"The Allies must by all honorable means prevent cotton reaching the enemies and it may be considered necessary to make cotton contraband."

He refrained from any hint that the commodity would be removed from the free list at any specific date or that the government had evolved any solution to meet the demands of American cotton growers and neutral consumers.

He stated explicitly, however, that if cotton were made contraband England would consider the act legal and internationally justified.

Believed to Presage Action

His statement, the first in behalf of the government outside Parliament relative to cotton, and coming at a time when the public is clamoring for drastic action to shut off the supply from Germany, is taken in some quarters to presage this step soon. In his statement, which announces that it describes the government's position on cotton "so far as it is at the moment possible to define it", Lord Cecil says:

"The British government, acting in conjunction with its allies is giving the cotton situation its continuous and most earnest consideration. The government is fully aware of the importance of cotton to America. We fully understand that upon a satisfactory adjustment of the matter depends to a considerable degree the welfare of nearly a quarter of the population of the United States. The welfare of the whole population of Great Britain, however, also is involved, as well as that of all Great Britain's for whom the British government is acting in these and other matters concerning contraband and trade.

Policy to Protect Neutrals

"The fundamentals of the situation are quite clear. The allies must by all lawful means prevent cotton reaching their enemies. That is a vital military necessity which all the world will recognize.

"At the same time, and equally important consideration must be given to a great cotton producing country, like America, and to consuming countries like Sweden, Norway, Denmark and Holland. A policy must be devised which will respect the legitimate rights of neutrals and yet safeguard the legitimate interests of the allies and inflict as much damage as possible upon our enemies.

Cotton has not yet been declared contraband, but under our blockade all cotton which is believed to be destined for Germany is stopped. It may be considered necessary to make cotton contraband. There is a demand in the allied countries that this should be done. There is assuredly ample cause for the action if it is deemed necessary.

"There may be a substitute for copper in making munitions of war. For cotton there is no known substitute."

Would Be Legal Action

"Making cotton contraband would be

(Continued on Page Eight.)

BANKERS TO ORGANIZE IN INTEREST OF COTTON

Purpose for Gradual Marketing of South's Crop.

Meeting of Representative Bankers From Practically Every Cotton Growing State at Galveston Today to Perfect Body.

Galveston, Texas, Aug. 13.—Organization of a permanent association of Southern States bankers, which shall have for its purpose the gradual marketing of the cotton crop of the South, will be one of the alms of a meeting of Southern bankers to be held here tomorrow.

Representative bankers are here from practically every cotton growing state, including F. S. Etheridge, of Savannah, Ga., president of the Georgia State Bankers' Association; R. L. VanSandt, of Dallas, president of the Eleventh Federal Reserve Bank; T. C. Tupper, of St. Louis, deputy Federal reserve agent, and F. W. Foote, of Atlanta, director of the Atlanta Federal Reserve Bank.

According to Joseph Hirsch, of Corpus Christi, Texas, president of the Texas Bankers' Association, who called the meeting, it is hoped to organize a South-wide movement that shall have for its aim the securing of higher prices for the cotton growers. Mr. Hirsch also said tonight the building of cotton warehouses, receipts of which may be used by banks as collateral, will be urged.

A committee probably will be appointed tomorrow to meet with W. P. G. Harding, chairman of the Federal Reserve Board, in Birmingham on August 26 to discuss the cotton situation.

HAULING $50,000,000 THROUGH NEW YORK STREETS.

The Bank of England sent into the United States secretly $50,000,000 for J. P. Morgan & Co., with which to pay for munitions of war ordered here for the British government. This vast sum arrived in seven express cars from Halifax, to which point it had been carried by steamship. The photograph shows the arrival of several trucks at the subtreasury, where the gold was deposited.

The great sum, consisting of about $30,000,000 in the best securities and the remainder in gold, was loaded on automobile trucks at Thirty-third street and Eleventh avenue, in the district known as "Hell's Kitchen," where gangsters and criminals throng. But twenty mounted policemen guarded the automobiles. On the front seat of each were two guards carrying rifles. In fact, so much fuss was made over the shipment that half of New York was excited by it.

REGULATIONS TO APPLY THE NEW SEAMEN'S LAW

Regarding Much Discussed Language Test Provision

Acting Secretary Sweep Orders Them Sent to Customs Collectors and Shipping Agents—Asks Information.

Washington, Aug. 13.—Regulations covering the much discussed language test provision of the new Seamen's law were approved by Acting Secretary Sweep of the Department of Commerce. They were sent to customs collectors and shipping commissioners with a circular calling for information as to what additional machinery will be needed for their enforcement.

The law provides a vessel, except on rivers and small inland lakes, shall not be cleared from any port unless "she has on board a crew not less than 75 per centum of which in each department thereof are able to understand any order given by the officers of such vessel."

The department construes this to mean "the necessary orders that may be given to members of the crew in each department in the course of the performance of their duty." Under this construction, it was pointed out, it would not be necessary for a deck hand to understand the orders usually given to firemen, or vice versa.

Regulations also were issued today for the enforcement of Section 2 of the law limiting the hours of labor and regulating the kind of labor to be performed on shipboard. This section provides for two watches for deck labor and three for the engine room.

SECOND PAYMENT FOR COTTON TAKEN FROM STEAMER DACIA

Made to the State Department by the French Ambassador.

Washington, Aug. 13.—The second payment on the American-owned cotton on the steamship Dacia was made today at the State Department by the French ambassador. The amount was not made public.

Intimations have reached the State Department that France may release the ship under certain conditions that will limit her activities to neutral trade and not involve a general recognition of the right to change registry in time of war.

A brief synopsis of the decision of the French court condemning the Dacia was received today from the embassy at Paris. The court upheld the argument of the government prosecutors that the change from the German to the American flag was made to evade the consequences of war and was not bona fide; and that the captain's statement of the destination of the Dacia's cargo—Rotterdam—was not borne out by the papers which showed it to be destined for Bremen, an enemy port.

The full text of the decision will be awaited before any further action is taken here.

DUPONT STRIKERS WILL BE PAID UP AND DISCHARGED

Nearly All the Electrical Workers Returned to Work Yesterday.

Hopewell, Va., Aug. 13.—The situation caused by the walkout of 400 electrical workers in the Dupont works here yesterday was less serious today, only a few of the men, Dupont officials said, remaining away from their work.

It is stated tonight that the Dupont Company has the names of all the electrical workers who walked out yesterday and that tomorrow they will be paid in full and discharged.

Newport, R. I., August 13.—The United States submarine D-2 ran aground on Gull Rock during maneuvers today but was pulled off by a tug without serious damage.

AGGRESSIVE CAMPAIGN FOR WOMAN SUFFRAGE

To be Launched in North Carolina Within a Week.

Miss Perry to Confer With Judge Clark, Senators Simmons and Overman, All Congressmen and Organize the State.

(Special Star Telegram.)

Washington, D. C., Aug. 13.—One of the most aggressive campaigns for woman suffrage, second only to the well-remembered Simmons-Kitchin senatorial fight three years ago, is to be started in North Carolina within the next week, when Miss Emily K. Perry, a Southern woman of intelligence and refinement, reaches Raleigh for a conference with Chief Justice Walter Clark, an avowed advocate of equal suffrage for women.

The Congressional Union for Woman Suffrage stated tonight that Miss Perry will conduct the most vigorous campaign for "the cause" ever undertaken by the suffrage union. With Chief Justice Walter Clark supporting the cause and the paper which carries at its masthead the name of Josephus Daniels giving encouragement to the women, the suffragists believe great progress is to be made.

While Judge Clark will be the first of the prominent North Carolinans with whom Miss Perry will confer, others are not to be slighted. Senator Simmons will be visited at his Newbern summer home or his retreat in the mountains of North Carolina. Senator Overman will be cornered at Salisbury, and Representatives Webb, Page, Small, Stedman and the rest of the congressional delegation in the House will be visited by Miss Perry, who claims she has secured the support of several hundred prominent women in the State who will accompany her on these visits.

Are Very Confident.

Woman suffragists believe that the ballot will come to the women just as surely as they believe that prohibition is gaining ground by leaps and bounds. It is said that over 5,000 women supporters will gather in Washington soon after Congress meets and keep up the work until adjournment is taken.

"I am going to spend a month in North Carolina," said Miss Perry tonight, "and will go with deputations to see Senators Simmons at Newbern, and Overman at Salisbury, and Representatives Pou at Smithfield; Kitchin, at Scotland Neck; Webb at Shelby; and Godwin, Page, Small, Hood, Doughton, Britt and Stedman at their respective homes.

"We are very anxious to see Mr. Kitchin and Mr. Webb, for the one is the leader of the present House and the other made a speech against our resolution last winter. It is very important that we see the North Carolinians, as they hold such prominent committee assignments.

Will Canvass State.

"I want to get in touch with Mrs. Archibald Henderson, of Chapel Hill; she is president of the State Woman Suffrage Association.

"I expect to go to Charlotte, Greensboro, Morganton and Asheville, and other cities. In each congressional district I will organize a deputation of suffragists to call on their representative in Congress and urge him to support the Susan B. Anthony amendment to remove from the ballot the qualification of sex."

The Elfreida has been ordered to Newbern and Washington to take the North Carolina naval militia on its annual cruise.

Mr. and Mrs. Howard A. Banks and children left tonight for the State. They will visit Asheville and Charlotte.

P. R. A.

ST. LOUIS TEAMSTERS ARE OUT ON A STRIKE

Movement of Freight is Partially Paralyzed.

Between 1200 and 1500 Ask Higher Wages and Shorter Hours—Employers Give the Men Until Saturday to Return to Work

St. Louis, Aug. 13.—Between 1200 and 1500 teamsters employed by St. Louis transfer companies struck for higher wages and shorter hours today and brought about a partial paralysis in the movement of freight.

There was no violence and the transfer companies made no effort to fill the places of the strikers, announcing an offer of minor concessions which they asked the men to consider.

The St. Louis Transfer Company, which, with the Columbia Transfer Company, divided a large share of the city's teaming business, obtained Federal aid in moving the mails from East St. Louis to St. Louis for which it has a contract.

George J. Tansey president of the transfer company, appealed to the Federal authorities and the United States District Attorney gave instructions that six government employees should cross the river in automobiles and get the mail. Ten wagon loads were thus moved.

The strike resulted from the failure of the union and of the team owners to sign a new contract to supercede that which expired July 31.

President Tansey late today issued a statement on behalf of the team owners association, saying that the employers would give the men until Saturday evening to return to work and if they did not come back by that time the employers would begin the employment of other men regardless of color.

INDICTMENTS RETURNED AGAINST FOUR PERSONS AT HOPEWELL.

Among Them is a Former Policeman and a Deposed Justice of the Peace.

Hopewell, Va., Aug. 13.—Another of the ousted officers of the Hopewell police force was indicted today by the Prince George county grand jury. He is H. W. Pollard, charged with accepting money given for protection and also with having offered it to William A. MacDonald, chief of the new Dupont Powder Works police "to be let alone in Hopewell."

St. Clair Pulliam, deposed justice of the peace, also was indicted, charged with having solicited $100 each from disorderly houses for "protection" and with offering policemen salaries to act within instructions. Two alleged proprietors of gambling joints were indicted charged with selling illicit whiskey.

REV. MR. MEYERS MAKES PLEA FOR MORE MISSIONARIES.

Declares Japan Only Non-Christian Nation Among World Powers.

Asheville, N. C., Aug. 13.—Declaring that Japan was the only non-Christian nation among the world powers, Rev. J. A. Meyers, of the Theological Seminary, Kobe, Japan, today made an earnest plea for increased missionary forces in the Far East before the foreign missionary conference of the Southern Presbyterian church at Montreat. The speaker was followed by other missionaries from China, Korea and Japan, each relating their experiences and dwelling upon the necessity for additional missionary workers in the countries mentioned.

At tonight's session Rev. C. L. Crane, and Rev. R. D. Beddinger, returned missionaries from Africa, were the principal speakers.

HINDENBERG TAKES PERSONAL CHARGE OF KOVNO ATTACK

Russians Fighting Desperately to Retain Both Kovno and Vilna.

VON BUELOW PRESSED

Zeppelins Raid East Coast of England and Six Persons Are Killed.

London, Aug. 13.—Field Marshal von Hindenberg, upon whom the most difficult tasks are imposed, has personally taken command of the German army attacking Kovno and has made further progress in the fighting against the Russians in that region, says tonight's German official statement.

The selection of Germany's national hero for the duty of capturing the fortress of Kovno, which stands between the Germans and Vilna and the Warsaw-Petrograd railway, is an indication of the importance which the German general staff attaches to this operation.

The news that the civilian population had commenced to evacuate Kovno as well as Vilna leads many to believe that the Russians either had decided to give them up or had no hope of holding these points. Now, however, they are fighting hard to retain both cities, and Petrograd's latest official claims are that the Russians have repulsed the German attacks except at one point where a desperate artillery engagement is in progress.

Von Buelow Given Set-Back.

Farther north, between Poniech and Dvinsk, where General von Buelow a week ago was advancing rapidly toward the railway, the Germans apparently have suffered a set-back, for the Russians now speak of pressing them and declare they have re-occupied the town of Towviny, considerably west of the position to which the Germans had penetrated.

South of Riga also, the Germans are said to be doing little more than holding their own, so that the talked of advance toward Petrograd seemed to be developing very slowly.

On the other hand, the Germans continue to drive the Russians to the northeast and east of Warsaw and, with the capture of Siedlce, are within a short distance of the Bug river, one of the supports of the Brest-Litovsk line, which it was believed the Russians originally intended to hold, but which the German offensive may prevent.

The military critics disagree as to the probable line on which Grand Duke Nicholas will elect to make his stand but a majority of them consider it hardly likely that he will try to hold the Brest-Litovsk front.

The German crown prince continues his attempts to pierce the French line in the Argonne forest. He has had a few local successes, but is declared also to have suffered very heavy losses. The Germans also have attacked in Artois, but without success, the French claim.

Air Raid on England.

Two Zeppelins last night visited the east coast of England, dropping bombs. Six persons were killed and 23 injured and 14 houses were seriously damaged.

This is the 16th air raid on England since the commencement of the war, and in all 76 persons have been killed and 175 injured, while two Zeppelins on their way home were destroyed, and one of these which took part in last night's raid is believed to have been damaged by anti-aircraft guns.

The negotiations between the Balkan States are proceeding, but thus far there is no sign of any settlement of the questions at issue.

DR. TILLETT SPEAKS.

Makes Principal Address Before Methodist Bible Conference.

Asheville, N. C., Aug. 13.—Dr. W. F. Tillett, dean of the Theological Department of Vanderbilt University at Nashville, Tenn., was the principal speaker at the Southern Methodist Bible Conference at Lake Junaluska today. He spoke on "The All-Absorbing Nature and Triumph of the Christian Religion in the World Today."

Rev. "Bob" Jones, Southern evangelist for the Southern Methodist church, will speak at the conference tomorrow and Sunday.

CHECK COTTON CONSUMPTION.

German Government Promulgated Two Regulations for the Purpose.

Berlin, via London, Aug. 13.—The German government has promulgated two regulations intended to check the consumption of cotton. The first limits the work in cotton mills, weaving mills, and establishments using cotton, wool, flax, hemp and jute to five days each week. The other fixes under penalty of expropriation to dispose of stocks of cotton refuse within a fortnight to manufacturers who may work only on army and navy orders.

New Orleans, Aug. 13.—A protest against interference by Great Britain and her allies with cotton shipments for neutral nations was forwarded to President Wilson by the New Orleans board of trade. The President was asked to continue to urge upon England the importance of non-interference with such commerce.

Philadelphia	33	70	.310

New York, Aug. 13.—New York won an exciting 12-inning game from Philadelphia today 3 to 2. Maisel led off in the twelfth with an infield hit and took second on Kohl's wild throw. Mack then ordered Wyckoff to pass Cook and Hartzell, filling the bases. Donovan sent Caldwell to bat for Boone and he drove a long hit to deep center, Maisel scoring the winning run. Both Cole and Wyckoff pitched great ball and the fielding was sensational on both sides.

Philadelphia	.020 000 000 000	2	8 5
New York	.000 100 010 001	3	12 1

Wyckoff and Lapp; Cole and Nunemaker.

Boston, Aug. 13.—Boston won in the ninth inning in a close game with Washington today 3 to 2. Lewis' single and one by Gardner, Henry's wild throw to check Gardner's steel, and a passed ball on which Lewis scored made up the decisive combination.

Boehling became wild in the fourth and Ayres succeeded him, the latter giving way to Johnson in the ninth.

Washington	.100 000 100	2	5 4
Boston	.100 100 001	3	6 1

Boehling, Ayres, Johnson and Henry; Shore and Cady.

PETITION OF MARSANS, CUBAN HEARD IN FEDERAL COURT

St. Louis, Mo., Aug 13.—The petition of Marsans, the Cuban ball player, that the Federal District Court modify or dissolve the injunction that prevents him from playing with the St. Louis Federals was heart in the Federal district court here today. The case was not concluded.

After evidence had been introduced regarding the claim of the Cincinnati Nationals on Morsans, Judge Dyer announced that he would hear arguments Monday.

Attorneys for the Cincinnati promised to introduce a registered letter receipt showing that Marsans received a letter from Cincinnati dated June 27, 1914, asking him to return to the Cincinnati club. Marsans testified that he did not recall such a letter.

During the hearing today the attorneys for Cincinnati asked this question: "Would you be willing to re-join the Cincinnati club now and play out the season?"

"Not under any circumstances", he replied.

He had received no salary from the St. Louis Federals but twice a month the club has loaned him $333, he testified.

On June 25th, 1914, Marsans was enjoined from playing with any club other than Cincinnati and since that date he has not played.

Raleigh, N. C., Aug. 13.—A team of the best golfers from the Raleigh country club will go to Durham tomorrow to play a team from the Durham country club over the Durham links. This is the second of a match series between the two clubs, the first having been played two weeks ago in which the Raleigh golfers were the winners by a score of 23 to 10 points. The Raleigh team will probably consist of twelve players, their names not being yet announced.

RUDOLPH KNOCKED OUT OF BOX BY THE PHILLIES

Cincinnati Wins Wild Game From the Pirates.

Coombs Pitched Shut-Out Ball for Brooklyn, But O'Mara's Fumble Allowed the Giants to Score One Time.

ST. LOUIS TWICE SHUT OUT BY THE BUFFEDS

Baltimore and Pittsburg Divide Double-Header.

Kansas City Went to Pieces Before the Attack of Brooklyn Who Won One Sided Contest by 9 to 2 Score.

RESULTS YESTERDAY
At Baltimore 1-3, Pittsburg 4-2.
At Newark 7, Chicago 0.
At Brooklyn 9, Kansas City 2.
At Buffalo 1-6, St. Louis 0-0.

WHERE THEY PLAY TODAY
St. Louis at Newark.
Kansas City at Buffalo.
Chicago at Baltimore.
Brooklyn at Pittsburg.

STANDING OF THE CLUBS

	W	L	Pct.
Newark	58	46	.558
Chicago	59	47	.557
Pittsburg	57	46	.553
Kansas City	57	48	.543
St. Louis	56	49	.533
Brooklyn	50	59	.459
Buffalo	49	59	.454
Baltimore	37	69	.349

Buffalo, N. Y., Aug. 13.—The Buffalo Federals evened up the series today by twice shutting out St. Louis 1 to 0 and 6 to 0, the two preceding games having been shut outs for Buffalo. In the opening game the winning run was scored on Dalton's single and Louden's two-base hit. Anderson was splendidly supported in the second game, double plays retiring the side in three critical innings.

St. Louis	.000 000 000	0	4 1
Buffalo	.000 001 000	1	6 0

Crandall and Chapman; Schulz and Allen.

Second game:

St. Louis	.000 000 000	0	7 0
Buffalo	.003 010 02*	6	12 1

Groom, Willet and Hartley; Anderson and Blair.

Baltimore, Aug. 13.—With the inauguration of ten-cent baseball Baltimore entertained its largest week day crowd of the season. It saw the home club lose the first game of a double-header with Pittsburgh 4 to 1 and come from behind in the second and win 3 to 2.

Pittsburg	.020 020 000	4	11 1
Baltimore	.000 030 001	3	7 1

Knetzer and O'Connor; Bender and Owens.

Second game:

Pittsburgh	.002 000 000	2	10 1
Baltimore	.000 000 000	3	7 1

Dickson, Hearne and Berry; Quinn and Jacklitsch.

Brooklyn, Aug. 13.—Kansas City went to pieces before the attack of Brooklyn today and were defeated 9 to 2. In the first inning Brooklyn scored four runs on four hits off Dan Adams, a western league recruit. In the fourth inning four more runs crossed the plate on four errors and four hits.

Kansas City	.110 000 000	2	7 5
Brooklyn	.400 401 00*	9	11 1

Adams, Johnson, Packard, Henning and Brown, Enzenroth; Seaton and Land.

RED SPRINGS BEATS HAMLET IN HARD PITCHERS' BATTLE

Hamlet, N. C., Aug. 13.—Red Springs defeated Hamlet in a hard fought pitchers' battle between Ingle and Davis 1 to 0.

Davis for Hamlet pitched beautiful ball, allowing only one hit.

Ingle for Red Springs, pitched good ball ,allowing only two hits.

Red Springs made their run on an error. Both teams fielded well.

Hamlet	0	2	2
Hamlet	0	2	2

Davis and Thompson; Ingle and Kohler. Umpires, Parish and Goldberg.

WINNERS FOR COMPETITION IN FINALS OF TENNIS CHAMPIONSHIP

Chicago, Aug. 13.—Clarence J. Griffin and William Johnston, of San Francisco, Pacific coast champions, and Walter T. Hayes and Ralph H. Burdick, of Chicago, western title holders, won the right today to compete in the finals of the National doubles tennis championship.

The winners in tomorrow's final will meet Morris McLoughlin and Thomas C. Mundy, the title holders, later this month in New York, in the challenge match for the title.

BEHR DEFEATS McLOUGHLIN IN THE FINAL TOURNAMENT

Seabright, N. J., Aug. 13.—Karl H. Behr, of New York, defeated Maurice E. McLoughlin, of San Francisco, today in the singles final of the tournament on the turf of the Seabroght Lawn Tennis and Cricket club, in straight sets at 8-6, 7-5, 7-5.

Behr made use of tactics which R. N. Norris Williams II employed a year ago when he won the national title at Newport in the deciding match against McLoughlin.

MINOR LEAGUES

INTERNATIONAL LEAGUE
At Toronto 2-3; Montreal 9-3.
At Jersey City 2; Richmond 4.
At Providence 4; Harrisburg 11.
At Rochester 1-5; Buffalo 5-2.

AMERICAN ASSOCIATION.

THEATRICAL

Can the steel bonds of heritage be broken? Can one escape from the tainted blood of his fathers? Can one break away from the traditions of ancestry? Must the sins of the fathers be visited upon the children? Can one rise to heights of position, wealth, fame, honor and achievement after spending childhood days in the very depths of the slums? Do the peculiarities of the parents remain forever in the lives of their children?

These are just a few of the vital questions answered in the very greatest dramatic production that the year 1915 has brought forth, "Heritage", featuring Bob Leonard and Ella Hall, with an all-star supporting cast of actors of the silent drama. It is the biggest production because it tells the biggest story ever filmed, and it's the biggest story because it's one of vital and important interest to every man, woman and child in the wide wide world. It will hold your undivided attention for the entire four reels—a solid hour, and then you'll agree with us that it's the very greatest drama you have ever seen unfold itself on the screen.

Bob Leonard and Ella Hall, with Alan Forrest and an unusually brilliant cast, outdo all former efforts in this great and gripping dramatic masterpicture, and no one should miss it at the Bijou today, the place where you'll see all the big things and see them first.

There will also be a great Pathe comedy, "Busybody's Busy Day" with a thousand good, hearty laughs.

Good Show at the Grand

The usual good Saturday show is on at the Grand this very day. Two exceptionally good comedies, and a two-reel high class drama, make up the entertainment that is bound to please the most fastidious movie fan.

In "The Frame-up", a two-reel Kalem drama, a story of the underworld, told in a stirring way, Nellie, the girl whom both loved, was the cause of the trouble and, until the police took a hand, no feud ever burned with greater intensity.

"Dreamy Dud", "In King Koo Koo's Kingdom" living cartoons by Wallace A. Carlson, is all about Dud and Wag's visit to Africa, where Dud is captured by some natives. He pleases the king so much that he steps down from his throne and gives it to Dud. And here is where the fun begins. If you miss this, you'll be as thankful as if you had the mumps. Mr. Carlson is the pioneer of comedy screen cartoons. It's a laugh, a scream, a merry mirthful riot. "Billy the Bear Tamer", is another screaming farce comedy by the Vitagraph company, featuring the two great fun makers, Billy Quirk and Constance Talmadge. So the story goes, Pa thinks he is a bear tamer, at first, but Billy calls his bluff and nearly frightens the life out of father, with the aid of a "bear of a make-up". You are bound to laugh; you can't help it when you see how scared dad is. Bring the children. Special attention is always given to them.

Monday is Paramount day. Jesse L. Lasky presents H. B. Warner in his original role in the thrilling drama, "The Ghost Breaker", in five acts.

AN EARLY DECISION WHETHER CLUB WILL CHANGE HANDS

Possible Sale of Cincinnati Nationals May Be Deicrmined by Tuesday.

Cincinnati, Aug. 13.—Whether the Cincinnati Baseball Club will change hands or remain in the hands of its present stockholders, will probably be decided by next Tuesday.

"When Mr. Warren M. Carter, of Pasedena, Cal., was in this city not long ago," said August Herrman, president of the Cincinnati club, here tonight, "he asked me if I thought he could purchase some stock in the Cincinnati club. I told him I would confer with some of the stockholders. Subsequently I told him it could be arranged, and he then asked me if I thought he could obtain the controlling interest in the club and I told him that he could if he was willing to pay the price asked. He said he would like to consider it two weeks or a month. It will be a month next Tuesday since the conversation took place.

"After this conversation Mr. Carter left town, and I have not heard from him nor seen him since, therefore I was greatly surprised today when I was informed that he had made a statement that he had an option on the controlling interest of the club.

"Furthermore, if the club is sold to Mr. Carter the condition was made that I would remain at the head of the club and that the club would remain in the National League."

Mr .Herrmann said further he had knowledge that persons who had no authority had offered the controlling interest in the club for sale to the Federal League. He said there was absolutely no chance for the club being in any league other than the National and insisted that the club was not necessarily for sale, but if sold, the price would be a handsome one.

Winston-Salem, N. C., Aug 13.—Officials of the local North Carolina League Club announced tonight that they had sold Turner Barber, an outfielder, to the Washington American League club for $1,000. Barber is a native of Tennessee.

New York, Aug. 13.—The New York American League club tonight announced the release of Ed. Sweeney, catcher; John Warhop, pitcher, and Charles Mullen, substitute first baseman, to the Richmond team of the International League.

Concert at Carolina Beach Sunday, Whitlock-West Orchestra.—Advertisement. Au, 14-2t.

NOTICE OF ADMINISTRATION.

Having qualified as Executrix of the last will and testament of Charles Craig, deceased, notice is hereby given to all persons indebted to said Estate to make immediate payment. And all persons having claims against said Estate are required to present them to the undersigned duly verified on or before August 15th, 1916, or this notice will be plead in bar of their recovery.

TOMMY MURPHEY'S MOUNTS TAKE TWO FIRSTS AT GRAND RAPIDS

Grand Rapids, Mich., Aug, 13.—Tommy Murphy's mounts were driven to first in two of their events carded for Grand Circuit getaway day here today. Sadie S., won the 2:13 trot in the exceptional time of 2:07 3-4, 2:07 3-4 and 2:07 1-4, the fastest time made by this class of trotters this year.

Major Ong was the other Murphy horse to win in straight heats, taking the 2:09 pace without trouble. Each heat was a procession with the major never headed. Both Sadie S., and Major Ong were heavily played favorites. In the 2:09 pace, "Pop" Geers was distanced for the second time in the week.

Lelia Patchen, a third choice, upset the dope by winning the 2:06 pace in straight heats. In both she was given a desperate by Snow to beat Rastus with McDonald up. Our Colonel, the favorite, could do no better than fifth.

Stockholm, Aug 13.(via London)—The amount available for the Nobel prizes this year is 144,000 kroner ($38,000) each, but it is possible that the distribution will be postponed. Next year the amount will be reduced by 20,000 kroner, this sum representing the amount of the new Swedish defense tax.

"DREAMY DUD"

The Funniest Cartoon you ever saw. "In King Koo Koo's Kingdom."

"The Frame Up"

Camel CIGARETTES

win every smoker who appreciates quality, smoothness and flavor. They are a *blend* of choice Turkish and choice Domestic tobaccos—more delightful to the taste than either tobacco smoked straight.

Compare Camels with cigarettes you *think* you like best. They will stand the test against any brand in the world!

Smoke Camels liberally because they can't bite or parch or leave any unpleasant cigaretty after-taste.

Don't look for premiums or coupons. Cost of choice tobaccos blended in Camel Cigarettes prohibits their use.

CAMELS sell 20 for 10c. If your dealer can't supply you, send 10c for one package or $1.00 for a carton of ten packages (200 cigarettes), sent postage prepaid. If after smoking one package you are not delighted with CAMELS, return the other nine packages and we will refund your dollar and postage.

Best Treatment for Catarrh
S. S. S. Removes the Cause

Specialists in Catarrh troubles have agreed that it is an infection of the blood. The laboratories of the S. S. S. Co., at Atlanta, have proven it. Once you get your blood free from impurities—cleansed of the Catarrhal poisons, which it is now a prey to because of its unhealthy state—then you will be relieved of Catarrh—the dripping in the throat, hawking and spitting, raw sores in the nostrils, and the disagreeable bad breath. It was caused, in the first place, because your impoverished blood was easily infected. Possibly a slight cold or contact with someone who had a cold. But the point is—don't suffer with Catarrh—it is not necessary. The remedy S. S. S., discovered over fifty years ago, tested, true and tried, is always obtainable at any drug store. It has proven its value in thousands of cases. It will do so in your case. Get S. S. S. at once and begin treatment. If yours is a long standing case, be sure to write the S. S. S. Co., Atlanta, Ga., for free expert medical advice. They will tell you how this purely vegetable blood tonic cleanses the impurities from the blood by literally washing it clean. They will prove to you that thousands of sufferers from Catarrh, after consistent treatment with S. S. S., have been freed from the trouble and all its disagreeable features and restored to perfect health and vigor. Don't delay the treatment. Take S. S. S. at once.

NEWS OF A DAY FROM THE STATE'S CAPITAL

$200,000 Cotton Mill Corporation is Chartered

Tidewater Power Company and Other Corporations Heard on Tax Assessments—Moonlight School in Stokes —Tobacco Sales

(Special Star Correspondence)

Raleigh, N. C., Aug. 13.—A charter was issued today for The Falls Manufacturing Co., of Granite Falls, N. C., capital $200,000 authorized and $26,000 subscribed by 13 stockholders for the general manufacture of cotton yarns, hosiery, underwear, dying, bleaching and mercerizing cotton fabrics. The subscribers to stock are G. H. Geitner, J. D. Elliott, Chas. H. Guitner, M. L. Lyerly, M. E. Jones, W. F. Russell, L. N. Short, A. N. Luts, G. C. Bush, A. A. Cline, D. H. Worlick, J. L. Englehardt.

Another charter is for the Mebane Masonic Association (Inc), of Mabane, capital $10,000 authorized and $500 subscribed by A. N. Scott, W. S. Crawford and others for the erection of a Masonic temple for the local lodge.

Wescott Roberson, of High Point, was here today appearing before the Corporation Commission in the interest of the reduction of the tax assessment that has been imposed by the commission on the property and franchise of the North Carolina Public Service Company, High Point. The commission also heard the plea of the Southern Express Co., for reduction of the assessment against that corporation, R. G. Allston, of Atlanta, having presented the case for the express company.

Tidewater Gets Hearing

The case for the Tidewater Power Co., of Wilmington, was completed today, Mr. M. F. H. Gouvernur representing the corporation, having present ed a mass of figures as to the conditions under which that company pleads for a lowering of the assessment.

All these and many other cases the commission is taking under consideration and will make definite disposition of all a little later in the summer.

Superintendent J. T. Smith, of the Stokes county public schools, writes the State Department of Education that he is now personally conducting a "moonlight" school in Kings, Stokes county, that is scoring fine success. He sent the signatures of a couple of the men being taught that show well written names after just one lesson when they could not write at all before joining the school. Superintendent Smith writes that he will organize moonlight schools all through the county early in the fall. Stokes has the highest percentage of illiterates in the State, about 27 per cent of the voting population.

Sales of Leaf Tobacco

The sales of leaf tobacco on North Carolina markets during July aggregated 684,110 pounds, compared with 134,663 pounds sold during July, 1914. July is one of the last months of the tobacco year and the sales are always way down compared with the sales in other months. Indeed, large numbers of the best markets in the State are wholly closed during the month. The biggest sales during the month just closed were on the Fairmont market, 358,583 pounds being sold. Fair Bluff was second with 210,508 pounds. There were sales on only two other markets, Whiteville, 93,431 and Reidsville, 1,588 pounds. By September 1 the new year for the tobacco markets will have opened and sales will again begin to mount far in the hundreds of thousands of dollars each month.

Information coming into the State Department of Agriculture is that the tobacco crop generally is very good and that there is every indication that the crop will be of that texture that is best calculated to cure well in the barns. It is expected that the crop in this State will somewhat exceed that for 1914.

The negro Odd Fellows of North Carolina, in 34th anual session here, devoted today to executive sessions for the good of the order. The business of the lodge will be concluded Thursday morning. On Thursday afternoon there will be a big parade.

Marksmen Selected

The team of expert marksmen from the North Carolina National Guard to represent the State in the annual national competitive target shooting to be held at Jacksonville, Fla., October 6 has been named. The men selected, who will be under comand of Major W. F. Moody, follows: First Lieutenant J. H. Coon, Company K, First Regiment; Capt. C. I. Bard, Company K, First Regiment; Second Lieutenant G. W. Hall, Company L, Second Regiment; Second Lieutenant J. E. Whitfield, Company F, Third Regiment; Sergeants T. E. Rackley, Company D, Second Regiment; C. L. Hoard, Company B, First Regiment; J. M. White, Company L, Third Regiment; C. C. Porter, Company D, First Regiment; J. D. Jackson, Company L, Second Regiment; L. E. Batson, Company F, First Regiment; M. L. Rhodes, Company A, Third Regiment; Alternates: S. E. Malone, Company D, Second Regiment; W. L. Glover, Company B, First Regiment; W. B. Ellis, Company L, Third Regiment.

When the county farm demonstrators assemble here August 16 for their annual conference for the exchange of ideas and study of best and most advanced methods of advancing their work, there will gather with them possibly three hundred boys from the corn, pig and other clubs in all sections of the State to take a hand in the meeting and profit by the discussions among the demonstrators and see the splendid equipment of the College farm and observe the method of its management.

PENDER SUNDAY SCHOOLS PICNIC

County Fair This Fall—Lumber Plants Start Up—Burgaw News.

(Special Star Correspondence.)

Burgaw, N. C., Aug. 13.—The singing class from the Orphans' Home at Goldsboro gave a concert in the auditorium of the school building here Monday evening, which was very much enjoyed by those present, the audience not being as large as usual on account of rain.

The members of the Baptist Sunday school here enjoyed a picnic yesterday over at the Moore's Creek battleground, where they were joined by the Sunday schools from Point Caswell, Atkinson and Shiloh Baptist churches. Today the Methodist Sunday school went to East River bridge for a picnic.

A representative of the United States Department of Agriculture has been in the county this week making arrangements for beginning the work of tick eradication, which, it is understood, will begin soon. When this work begins it will probably end the agitation that has been going on so long for free range.

The Garysburg Manufacturing Company, which has had its mills closed down for a couple of weeks, started them up again this week.

The promoters of a county fair this fall had a meeting a short time ago and decided on having the fair, the date to be announced later.

RESIGNATION NOT ACCEPTED

Garrison Will First Find Successor to Major Hawkins.

Washington, Aug. 12.—Secretary Garrison today declined to accept before November 1 the resignation of Major Wilford J. Hawkins, an ordnance officer who desires to leave the army to enter private employment. Brig. Gen. Crozier, chief of ordnance, reccommended that the resignation be delayed until another officer could be prepared to take Major Hawkin's place.

Sunday evening on the Cape Fear, Str. Wilmington leaves 7:30 P. M. Round trip 15 cents. —Advertisement.

CALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Is Harmless To Clean Your Sluggish Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

CROWDS OVERFLOW CHURCH

Revival Meeting at Clarkton Moved to the Lawn, Where All May Hear Dr. Porter.

(Special Star Correspondence.)

Clarkton, N. C., Aug. 13.—The union revival meeting being held here by Rev. S. J. Porter, pastor of the First Baptist church of San Antonio, Texas, continues to grow in point of attendance as well as in spiritual interest. The increasing attendance made it necessary to move outside the church, so seats have been provided on the lawn at the church so that every one may have an opportunity to join in the services.

A large choir led by Rev. R. A. Lapsley, Jr., are always present and inspire the whole audience to join them in the old familiar hymns being used. Sunrise prayer meetings are being held each day as well as prayer services at 7:30 a. m. and greatinterest is being shown.

Dr. Porter's subject last night was "A Verdict Demanded;" this morning, "A Message From an Emperor's Palace;" this evening "Begging Off;" Saturday evening, "The Soul's Great Business;" Sunday morning, "Surpassing Grace;" Sunday evening, closing sermon "Mother, Home and Heaven."

Dr. Porter is being assisted in the services by his brother, Rev. A. H. Porter, Rev. Mr. Seabolt and Rev. R. A. Lapsley, Jr.

QUARTERMASTER CAPTAIN KILLED.

His Aide Probably Fatally Injured When Aeroplane Falls.

Fort Sill, Okla., Aug. 12. — Quartermaster Captain George H. Knox, of the first aero squadron, U. S. A., was killed and Lieutenant R. B. Sutton, his aide, probably was fatally injured here today when an aeroplane in which they were flying, fell five hundred feet.

San Francisco, Aug. 12.—St. Louis today was selected for the 1916 convention of the National Association of Life Underwriters. Edward A. Wood, of Pittsburg, was elected president. Insurance as a study in schools was advocated today by Dr. Benjamin Ide Wheeler, president of the University of California, addressing the underwriters.

Three trips to Carolina Beach Sunday, 9:30 A. M., 2:30 and 7:30 P. M.—Advertisement.

SEALED PROPOSALS WILL BE REceived at the office of the Lighthouse Inspector, Charleston, S. C., until 12 o'clock, noon, August 20th, 1915, and then opened for docking the lighthouse tender "Cypress," and making minor repairs. Blank proposals and particulars may be obtained by addressing the above office. au10,12,14-3t

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell.

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Write to: Chattanooga Medicine Co., Ladies' Advisory Dept., Chattanooga, Tenn., for *Special Instructions* on your case and 64-page book, "Home Treatment for Women," in plain wrapper. N.C. 124

PANAMA-PACIFIC EXPOSITION
San Francisco, California.
VERY LOW ROUND TRIP FARES VIA SOUTHERN RAILWAY
Premier Carrier of the South.
DATES OF SALE
March 1st to November 30th, 1915.

Final return limit will be three (3) months from date of sale, not to exceed December 31st, 1915.

Low round trip fares apply as follows:

Raleigh, N. C. $37.95
Durham, N. C. 36.95
Burlington, N. C. 35.25
Chapel Hill, N. C. 36.95
Oxford, N. C. 37.25
Goldsboro, N. C. 30.20
Selma, N. C. 29.35

Fares from all other points on same basis.

Fares for tickets routed one way via Portland, Seattle or Victoria at higher rates.

Stop-overs will be permitted on both going and return trip at any point within limit of ticket.

The Southern Railway can give you choice of several scenic routes from which to select, going one way and returning another; also free side trips are included from several points. Through connections and good train service via Memphis, St. Louis, Chicago and New Orleans. Through Tourist car from Washington, D. C., to San Francisco, daily, via New Orleans andthe Sunset Route.

Let us help you plan your trip, make your Pullman reservations, etc.

Young Man, if You Want to Make Good, Go to Church!

YOUNG men should GO TO CHURCH!

The flippant youth of the day is wont to remark that the churches are for old men and women. He treats lightly the GO TO CHURCH movement. Many of the young men of the day say that they intend to have their fling while they are young. It is time enough to think of the church when they get old. Where is the young man who can say that he will live to be old? Where is the young man who, with certainty, can say that he will live another day? Delays always are dangerous, but a delay in making your peace with God is doubly so. Pick up your newspaper any day and see the long list of persons who, without a moment's warning are plunged into eternity.

THE CHURCH WANTS THE YOUNG MAN. THERE IS NOTHING MORE INSPIRING THAN TO SEE A CHURCH FILLED WITH YOUNG MEN. THE YOUNG MEN SHOULD BE LEADERS IN THE GO TO CHURCH MOVEMENT. THIS IS THE DAY OF THE YOUNG MAN. NO GREAT MOVEMENT CAN HOPE TO SUCCEED WITHOUT HIS HELP. IF THE YOUNG MEN GET INTO THIS GO TO CHURCH MOVEMENT IT WILL BE THE TREMENDOUS SUCCESS IT DESERVES TO BE. THE YOUNG MAN WHO IS ANXIOUS FOR A FUTURE; THE YOUNG MAN WHO WOULD EARN THE RESPECT OF THE COMMUNITY; THE YOUNG MAN WHO WANTS TO MAKE GOOD WILL GO TO CHURCH. HE WILL BE SEEN IN CHURCH EVERY SUNDAY.

The really great men of the country went to church when they were boys. They went to church when they were young men. And they GO TO CHURCH today. Their greatness in life may be traced to GOING TO CHURCH. The church is not alone for the old men and the old women. It is for the young. It is for the strong. It is for the vigorous.

Yes; the church needs the young men. The young women do not need urging. They GO TO CHURCH. Let all young men follow their good example.

First Presbyterian church, corner Third and Orange streets, Rev. John M. Wells, D. D., pastor: Services tomorrow morning at 11 o'clock and at 5:30 in the evening, with preaching by Dr. Wells. Sunday school at 5 in the afternoon. Christian Endeavor at 8. Prayer meeting Wednesday evening at 8. A cordial welcome awaits you at all these services.

St. Andrew's Presbyterian church, Fourth and Campbell streets: Rev. A. D. McClure, D. D., pastor: Preaching in the morning at 11 o'clock. Sabbath school at 4 in the afternoon. Junior Christian Endeavor at 5. Senior Christian Endeavor at 8 in the evening, topic "Be True to Your Ideals," (Acts 26:12-19). Prayer meeting Wednesday evening at 8. Seats free; a welcome to all.

Pearsall Memorial Presbyterian church, East Wilmington, Rev. W. H. Koelling, pastor: Sabbath school at 10:30 in the morning. Preaching at 11:15. Junior Christian Endeavor at 7:30 in the evening. Senior Christian Endeavor at 8. Prayer meeting Wednesday evening at 8. A cordial welcome to all these services.

Harnett Street Mission, Eighth and Harnett streets, Rev. W. M. Baker, evangelist in charge: Sabbath school in the morning at 9:30. Preaching each second and fourth Sabbath evenings at 8 o'clock.

THE GLADIATOR

¶The maker of the advertising appropriation, who fails to include newspaper advertising; is not unlike the gladiator who allows one hand to remain bound and helpless when he enters the arena.

¶The Sunday Star with a circulation of seven thousand is invaluable to the advertiser who wishes to reach the people of Wilmington and the buyers of all this section of Eastern Carolina and upper South Carolina. Rates on application.

THE MORNING STAR

Published by the WILMINGTON STAR COMPANY, INC., Wilmington, N. C.

Entered as second class matter at the postoffice at Wilmington, N. C., under Act of Congress, March 2nd, 1874.

FULL ASSOCIATED PRESS REPORT

PUBLISHERS' ANNOUNCEMENT.

THE MORNING STAR, the oldest daily newspaper in North Carolina, is published daily and mailed to subscribers outside the county at $6 per year, $3 for six months; $1.50 for three months; or served by carrier in the city and suburbs at 60c. per month, or, when paid in advance, $7.00 per year, $3.50 for six months, $1.75 for three months.

THE SUNDAY STAR by mail, one year, $1; six months, 50 cents; three months, 25 cents.

ADVERTISING RATES may be had on application, and advertisers may feel assured that through the columns of this paper they may reach all Wilmington, eastern Carolina and contiguous territory in South Carolina.

Obituary sketches, cards of thanks, communications espousing the cause of a private enterprise or a political candidate and like matter will be charged at the rate of 10 cents per line, to persons carrying a regular account, or, if paid cash in advance, a half rate will be allowed. Announcements of fairs, festivals, balls, hops, picnics, excursions, society meetings, political meetings, etc., will be charged under the same conditions, except so much thereof as may be of news value to the readers of the paper, in the discretion of the editors.

TELEPHONES: Business Office, No. 61. Editorial and Local rooms, No. 61.

COMMUNICATIONS, unless they contain important news, or discuss briefly and properly subjects of real interest, are not wanted; and, if acceptable in every other way, they will invariably be rejected unless the real name of the author accompanies the same, not necessarily for publication, but as a guarantee of good faith.

ALL DRAFTS, checks, express money orders and postal money orders for the paper should be made payable and all communications should be addressed to

THE WILMINGTON STAR CO.

SATURDAY AUGUST, 14, 1915.

TOP O' THE MORNING

May every soul that touches mine—
Be it the slightest contact—get there-
from some good,
To make this life worth while,
And heaven a surer heritage.
—SELECTED.

What luck did you have on Friday, the thirteenth?

If London doesn't hurry up and decide what she's going to do about our cotton, we'll be spitting it.

It takes two to make a quarrel, but they've mixed it up so over in Europe that it's a general riot.

President Wilson, upon his return to Washington, seems to have been entirely prepared to take up that programme of preparedness.

It's not always the man who makes the most noise about standing up for our rights who stands up himself when the first sergeant calls the roll.

Virginia seems not only to have declared for closing the lid in 1916, but at the recent elections decided to sit down on it and keep it closed.

In the tobacco country, although prices are not high, they are seeing something like the return of prosperity, according to the advertisements in their newspapers.

In forcing the Dardanelles, the Allies appear to be in the predicament of that certain rich man of Biblical times who was encompassed by some uncertainties about passing through the eye of a needle.

Prince Ludovic d'Aragon Pignatelli, of Spain, formerly secretary of the Spanish legation at Washington, has "busted" with cash assets of only 28 cents. He can't even feel like the proverbial thirty cents.

If neither side in the European conflict had been able to keep the other from importing war materials from the United States, we never would have heard any complaint about our shipping munitions to the belligerents.

Editor Fred Mintz of the Mt. Olive Tribune is feeling out the possibilities of the office of Commissioner of Labor and Printing of North Carolina. Mr. Mintz is peculiarly fitted for the office, and should he decide to run, his many friends in this section hope that he may succeed in landing the plum.—Southport News.

Great Britain says had not Germany been able to get American cotton, the war would have been at an end already. Germany says had not Great Britain been able to get American manufactured munitions of war, the struggle would have been ended before now. So they are not only blaming each other for beginning the war, but both sides are blaming America for keeping it up.

Those Welsh coal miners over in England ought to read and re-read the dispatch from Rome which states that the example of the railroad employes of Milan, who refused $600,000 offered by the government for extra work done by them in connection with the mobilization of the Italian army, has been followed by the trainmen of Rome who have issued a statement to this effect: "We would feel ourselves humiliated if we were not willing to give our toil while others are giving their lives to their country." There's patriotism for you!

Almost every night there are near-accidents on Davie street. The joy-riders seem to think that that street is made expressly for their pleasure, and one of these days there will be a come-together that will cause us all to sit up and take notice. Those joy riders entering Davie from Gaston come full tilt, half of them never give warning of their approach and within the past thirty days we have seen a half dozen collisions very narrowly averted. But the head-owner must come. It can't help it with such wanton disregard for safety as is displayed by the joyriders.—Fairbrother's Everything, Greensboro.

A PUBLIC COTTON GRADER.

Wilson county cotton farmers and merchants appear to be moving along right lines through the Chamber of Commerce of Wilson in arranging for the employment of a public cotton grader to be furnished by the Federal government very much on the co-operative basis that farm demonstrators are now furnished to the various counties.

Last year the Wilson Chamber of Commerce met the cotton contingency by engineering a warehouse plan for the accommodation of 3,000 bales of the staple, and now it is proposed to place the marketing of the crop on a still more businesslike basis by securing the services of a government grader, who will certify the grades and make the cotton so warehoused the best sort of bank collateral.

The ability of the government to furnish government graders to counties is perhaps not generally known, but from the discussion at the Wilson meeting a few night ago, it would appear that all that is necessary for each county is a fund of $400 to be subscribed by business men and farmers and $200 additional for office rent, which in the case of Wilson has been appropriated by the county. The $400, it would appear, is for the employment of a clerical assistant to the expert grader, who is furnished by the government free of charge. This, it seems, is under an act of Congress for the "promotion of agricultural interests."

The plan was presented to the Wilson planters and business men by a representative of the Farmers' Union, who spoke of the educational value in enabling the farmers in time to determine the value of their staple, the convenience and stability as collateral it gave the staple, in that the grading of the government would be received without question, and the willingness of mills and exporters to buy and the banks to lend on this government certification. He told of reports from the government in which it was shown that very little knowledge existed among planters as to the value of their cotton, with the result that the growers were very often unable to know the different grades and connect them up with quoted values.

That the plan is entirely sound is attested by the fact that Col. John F. Bruton, the well known Wilson banker and a member of the Federal Reserve Board, was present and heartily endorsed the plan, giving an interesting outline of the value of the scheme. Col. Bruton quoted Mr. George Holderness, of Tarboro, in the statement that he believed the public grader had saved the farmers of Edgecombe county, the first to try it out last season, at least $2 per bale or $30,000 in one season.

Quoted in the Wilson Times' account of the meeting, Col. Bruton understood the plan contemplated handling through the co-operation of the ginners who sent a sample of cotton taken from each bale ginned to the grader. This sample carried with it a number and the name of the owner, and the only difficulty in Edgecombe was found in securing the quick co-operation of the ginners of the county. But these, he said, soon fell to the plan when they realized its value to the farmers. The grader samples the cotton in accordance with samples before him in his office in accordance with designated types, approved by cotton merchants and exporters. Col. Bruton stated that the Reserve Board, the Federal government and many agencies were active in an endeavor to protect the cotton crop during the stress of war which is largely responsible for the low price prevailing.

Dr. L. J. Herring, another speaker, endorsed the proposition. He spoke of the grading of grains out West, and of its value to the producer.

The Wilson farmers and business men appear to be moving along the right lines, and it would not surprise us to see some of the larger cotton counties adopting this plan, even before the end of the present season.

NO EXTRA SESSION

The unusually sound reasoning of the New York Journal of Commerce is against an extra session of Congress, if it can possibly be avoided. It sees that an extra session is being urged with such persistence and from such quarters as to be entirely suspicious. Undoubtedly it sees that there are many who, recognizing that the political balance is delicate, would hope for discords between those in charge of foreign relations and their critics in Congress. They do not look to political opponents, who in the main have been lending the administration useful support in the present crisis, but to representatives of the hostile foreign elements in our population. By playing upon various strings of party factional jealousy and racial prejudice it might, some clearly thing, says the Journal of Commerce, be possible to hamper those parts of our foreign policy that are disliked by sundry interests.

The Journal of Commerce doesn't think that the demands for an extra session will, in and of themselves, receive much consideration, but it expresses some anxiety owing to the fact that in the opinion of many an extra session may be unavoidable for other reasons. There are those who feel that the pressing needs for appropriations for national defense, a proper consideration of the seamen's act and other pressing matters may make an extra session imperative before the time for the regular session in December.

But, says the New York paper, "in this complex situation the interest of the country is quite clearly to avoid a special session of Congress as long as is reasonably possible. The foreign situation is one which the President must be left to handle with as little interference as may be. It is emphatically a one-man task. Congressional interruption or imprudence might easily render what is at best a difficult situation impossible. The risk is too great to be taken lightly."

Don'ts For the Cotton Growers of the South.

(Manufacturers' Record.)

Don't be misled into selling your cotton at five or six cents a pound, as you were last fall, by political and other pessimists.

Don't get frightened and rush your cotton to market except to the extent that you have to sell it to meet your financial obligations, for the undue crowding of cotton on the market plays into the hands of the speculators, who by the tactics now being employed would break down the price of your cotton and enable them to buy it to their profit and to your loss, as they did last year.

Don't expect either this Government or any other to buy your cotton. The Government has no more right to buy cotton than to buy grain or hogs.

Don't look for any uneconomic and impossible legislation in behalf of cotton, for most of the theories advanced have bordered on asinity, and some of them have quite reached that stage.

Don't for a moment think that you can barter your honor and your soul and shape your convictions as to right or wrong in world affairs for the price of a bale of cotton.

Don't seek to blackmail other countries by threatening retaliation because their work may interfere with the temporary selling price of your cotton.

Don't permit politicians or others to hold you up before the world as willing to accept a bribe, and to shape your judgment of right and wrong in human affairs by the price that this country or that might be willing to pay for your cotton.

Don't forget that though you have raised more cotton than the South ought to have produced, there is an intrinsic value in cotton which cannot be permanently destroyed.

Don't forget that you can carry your cotton for years without its deterioration, and that the time will come, unless the South continues to grow more cotton than the world demands, when every bale of cotton will be needed at a good price.

Don't defraud your creditors by refusing to sell cotton to meet your obligations, but when you have sold enough to pay your debts, don't forget that the balance is yours to hold until doomsday if you please, and await the time when the world will pay your price for it.

Don't, above all else, permit yourself to be misled into believing that your cotton is worth more than your honor; that your cotton must set your standard of morals in studying world affairs.

Don't forget that he who poses the cotton growers of the South before the world as beggars asking alms, or as regarding a bale of cotton of more value than human life, or the price of a pound of cotton more to be considered than individual and national honor, is the worst enemy which the South has ever had or ever can have.

THE RUSSIAN REVERSES

We find no more interesting insight into the war in Europe than in the reading of the London Weekly Observer, which is considered in this country an authority on military movements among the Allies. The latest number to reach this side was awaited with more than the usual interest, to gather from its unusually well-written review, the English view of the severe Russian reverses in the east.

"Russian life from end to end of the Czar's empire," we are told, "is stirred to its depths. The ordeal has reached the inner soul and summoned up the spiritual energies of a profoundly religious people. They know now that the supreme trial, unknown since 1812, is upon them. Their faith, as is the nature of faith, rises with the trial. In solemn days of intercession the churches have been crowded and there are prayers in every home. As they gave up vodka, they will give up all in life and goods that may be required to ensure victory. They fight with utter contempt of death. Such a people never can be conquered. The holy synod has issued its appeal to the emotions that make this struggle for the Russian people a holy war indeed in a sense that the West cannot conceive. The Grand Duke has again declared his assurance of final victory in accents devoid of rhetoric, and breathing the calmest sincerity of confidence. The last week of terrible fighting has thrown light upon his reasons," the Observer goes on to say. "Foot by foot he is making the enemy pay as awful a price as was ever given for ground. At that rate the grand duke, even in the very process of retreat, will in this strange war of exhaustion have done as much as conventional victory could have secured towards the destruction of the enemy's power."

SICK BABIES

(State Boad of Health)

"My baby's sick. What shall I do?" That's a very common queston from mothers, particularly at this time of year. It is a very important question too and one that is hard to answer fully. In general the chances are more than ten to one that the trouble is from some digestive disturbance. For this reason it is always advisable to stop feeding the baby at once. He won't starve if he misses a few meals or even if his rations are shut off or greatly reduced for several days. Of course the baby should be given all the water he cares for and that will be a considerable quantity this hot weather. All drinking water for babies should be boiled then bottled and served cool but not iced.

The next thing to do for a sick baby after stopping the food supply is to empty the intestines of all fermenting decomposing food. In general the mother will be justified in using not over a teaspoonful of castor oil or simple enemas by injection. If this does not bring relief the next step should be to call in the best physician available, and place the case fully in his hands.

As with many other health matters prevention is much simpler, cheaper, and better than cure. In the case of babies the use of mothers milk as food is the first and most important single item to be considered. In summer the baby should be kept cool, clean and free from flies. Babies should live in the fresh air at all times, and carefully screened from mosquitoes.

DAMAGED RUSSIAN WARSHIP

Reported to Be One Making Attack on Turkish Coast June 29.

Berlin, Aug. 12 (via London, Aug. 13).—A Bucharest despatch to the Vissische Zeitung says a badly damaged Russian warship, presumably the battleship Sinop, is lying in the outer roadstead at Mangelia, Rumania. The warship is reported to have been one of those which attacked the Turkish coast July 29. She struck a mine and barely was able to reach Mangelia. The vessel has not interned and presumably is making repairs.

AN EXCELLENT NIGHTCAP
Horsford's Acid Phosphate
Half a teaspoonful in half a glass of water on retiring insures sound, restful sleep.

CURRENT COMMENT.

The philosophical observer of the Wilmington Star perpetrates this one: "When the pot of water reaches the boiling point, the trash and impurities get on top. Who has not seen the same thing happen when the political pot reached the boiling point?" But the trouble sometimes is the lid is kept on and while the impurities float on top, the people take them instead of getting down and demanding the pure stuph below.—Everything, Greensboro.

"It seems to me," said a prominent Wilmington man this week, "that it is time New Hanover county was doing something in the way of carrying out its agreement with Brunswick county in establishing a bridge or free ferry across the Cape Fear, connecting with Brunswick." Quite a number of such remarks have been heard recently, and it is likely that sentiment will presently crystalize to the extent of inspiring some decisive action along this line. —New Hanover News.

In the Raleigh whiskey cases where news butchers were found guilty of bringing whiskey into the state and selling it for a profit, the sentence of six months on the roads was suspended upon payment of the fine of $200. In such a case the guilty man should do road service. The law is against selling whiskey and the way to enforce the law is to make the penalty of its violation severe. A slight fine, when the profits are immense has little terror to the evil doer. A few months on the roads has a tendency to convince the average blind tiger that it doesn't pay. —Fairbrother's Everything, Greensboro.

Capt. Haywood Clark for Secretary of State.—Now this is not the office from which Col. Bryan resigned some weeks ago and to which President Wilson appointed Dr. Lansing, but Secretary of State of North Carolina. Yes, Capt. Haywood Clark's friends are going to put him in this office. You know him don't you? Well, if you don't, you ought to know him for he is a real big hearted man and would make a most worthy successor of J. Bryan Grimes, our present able Secretary of State. Has Captain Clark any friends, worth talking about? Well, if he hasn't then The Herald doesn't know what it is talking about. He has more than enough real friends to give him the nomination. For years and years he has run his train between Norfolk and Wilmington and some how when you are on Capt. Clark's train you can't get away from that home-like feeling. A kinder and more accommodating conductor never punched a ticket on a train than Captain Clark and there will be tickets enough checked for him on primary day to give him the office. Do you know it's going to be a genuine pleasure to vote for Haywood Clark of Wilmington? By way of further introduction—his father was Henry T. Clark, once Governor of North Carolina.—Hertford County Herald.

SHOT TO DEATH IN CELL.

Mob of Fifteen Men Overpower Jailer and Kill Prisoner.

Osceola, Ark., Aug. 12.—A mob of 15 men overpowered the jailer here tonight and shot to death in his cell Andy Crum, arrested in connection with the killing of S. D. Maulding, sheriff of Mississippi county, Ark., in a raid by the sheriff and a posse on alleged blind tigers on Island 37, in the Mississippi river, July 31.

"Bits of Remicks Hits" and "Greetings" overtures, by the Whitlock-West orchestra at Carolina Beach Sunday.—Advertisement. Au, 14-2t.

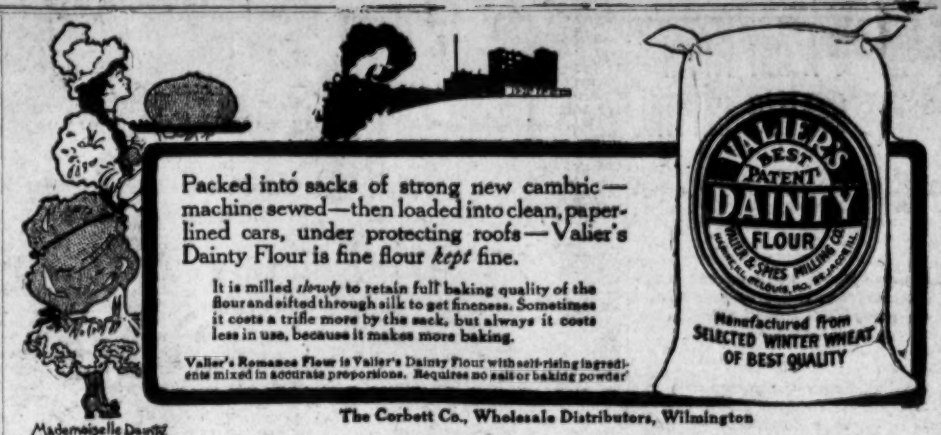
Ashamed of her bad complexion

If you, too, are embarrassed by a pimply, blotchy, unsightly skin

Resinol

will probably clear it. Just try Resinol Soap and Resinol Ointment regularly for a week and see if they do not make a blessed difference in your complexion.

Sold by all druggists. Prescribed by doctors for 20 years for most skin troubles. Use Resinol Soap for your shampoo, too.



Packed into sacks of strong new cambric—machine sewed—then loaded into clean, paper-lined cars, under protecting roofs—Valier's Dainty Flour is fine flour *kept* fine.

It is milled *slowly* to retain full baking quality of the flour and sifted through silk to get fineness. Sometimes it costs a trifle more by the sack, but always it costs less in use, because it makes more baking.

Valier's Romance Flour is Valier's Dainty Flour with self-rising ingredients mixed in accurate proportions. Requires no salt or baking powder

Best for complexion.
Best for bath.
Best for curing all facial blemishes and skin eruptions.
Best toilet soap ever made.

If your blood is out of order, take Munyon's Blood Cure. It will drive all impurities from the system and make good, rich, red blood.

If your liver is sluggish and you have a sallow complexion, use Munyon's Liver Cure. These two remedies, taken in alternation, will soon rid the blood and system of all impurities, and give life and vigor to the whole body and when used in conjunction with the soap, makes the skin glow with youthful freshness.

For Sale by

D. I. Watson's Pharmacy, Southport, N. C.

STATE OF NORTH CAROLINA, COUNTY OF NEW HANOVER.

By virtue and in pursuance of a power of sale contained in a certain mortgage deed executed by Sabina Judicki to William Gregerson, on the 23d day of June, A. D. 1914, and duly recorded in book 78, page 362 et. seq. in the office of the Register of Deeds of New Hanover County, the undersigned mortgagee will expose for sale to the highest bidder, for cash, at the Court House door in the City of Wilmington, County of New Hanover, and State of North Carolina, on the 31st day of August, A. D. 1915, at twelve o'clock M., the following described tract, piece or parcel of land lying, being and situate in Cape Fear Township, County of New Hanover and State of North Carolina and bounded and described as follows:

BEGINNING at a point in the northerly line of Marathon Avenue where said line crosses the center of the Branch known as Rocky Run and down and with the meanders of said Rocky Run following the senter of said run to the mouth thereof, where it empties into Prince George Creek, thence in a westerly direction down and with the run of Prince George Creek, following the meanders of the Southerly bank thereof, to a point where the dividing line of Farm No. 8 and Farm No. 9 of the Marathon colony strikes said Southerly bank of said Prince George Creek, thence in a southerly direction along the dividing line of Farm No. 8 and Farm No. 9 and at right angles to Marathon avenue to the northerly line of Marathon avenue and thence eastwardly along said northerly line of Marathon avenue eight hundred and thirty (830) feet to the point or place of beginning, the same being a part of Farm No. 6 and all of Farms Nos. 7 and 8 of the Marathon Colony as shown on the official map made by C. R. Humphreys in the year 1905 and containing 33 1-3 acres more or less, saving and excepting from the above description the old grave yard located on Farm No. 8 as shown on said map, subject to the conditions, limitations and restrictions set forth in deed to William Gregerson, recorded in book 73 at page 597 of the records of Register of Deeds of New Hanover County aforesaid.

WILMINGTON COMPANY MADE GOOD SHOWING

At Annual Encampment of Coast Artillery Corps.

Return to City Yesterday After Stay of Ten Days at Fort Caswell—Capt. Bailey and Party Had Exciting Experience in Boat

After ten days of hard but pleasant work at Fort Caswell, the members of the Wilmington Light Infantry returned to the city yesterday from the annual encampment of the North Carolina Coast Artillery Corps which came to an end yesterday. They came to the city on the steamer Wilmington and were accompanied by the Charlotte and Raleigh companies, the latter leaving on the afternoon Seaboard train for their homes. The Hendersonville, Salisbury and Greensboro companies, which also took part in the annual target practice and drills, left Southport yesterday morning on a special train for their homes.

Capt. E. P. Bailey, the popular commanding officer of the Wilmington Light Infantry, said last night that the encampment was a success in every way and that the Wilmington boys made a fine showing. While not duplicating their record of two years ago when they hit the target three times out of three shots, the company made four perfect shots for deflection and one perfect shot for range. As the powder used was purchased more than ten years ago this was considered a splendid record and in fact the regular officers at Fort Caswell said the target practice this year was superior to that of any previous year.

The encampment was far from being an outing for pleasure only and the boys put in hard work every day. There was litle to break the monotony although Captain Bailey and 15 members of the W. L. I. had an experience Wednesday night that they will not forget soon. They had gone over to Southport for a brief visit and were returning to Fort Caswell in a gasoline launch. Just before reaching the landing place at the wharf the engine stopped and the boat began to drift. There was a strong outgoing tide and it wasn't long before the launch was well towards the bar and steadily moving out to the ocean.

There was no way to prevent its drifting and the engine would not work. The Atlantic ocean is not a good place to be lost in and the occupants were already undressing, preparatory to making an effort to swim ashore when fortunately the engine was gotten into running order and they were able to return without mishap.

The Wilmington Light Infantry in command of Captain Bailey left Wilmington on August 2nd in company with the Charlotte and Raleigh companies on the steamer Wilmington. Capt. A. Grieg, special instructor, of Raleigh, also accompanied the companies on the trip down the river. Arriving at the Fort about 9:30 a. m., a few minutes ahead of the Hendersonville, Greensboro and Salisbury companies, who had come on a special train and were transported to the Fort in the steamer Getty, they found the tents had been pitched and everything in readiness for the encampment, this work having been done by the advance detail in command of Lieut. F. L. Page, of Greensboro, quartermaster of the Coast Artillery Corps. The remainder of the day was spent in getting everything in readiness for the encampment.

Bright and early the following day the different companies were up for the work of the day which included what is known as orienting, bore sighting of big guns, examinations of guns to see that everything was in first class condition, drills in loading etc. This kind of work continued through Friday of last wek and on Saturday there was sub-calibre practice.

This consisted of shooting a small gun, using a one-pound projectile, the gun being placed in the bore of a big gun. The loading and shooting of the smaller gun was similar to that of the big guns and was for practice, being less expensive. The sub-calibre practice continued through Monday, the Wilmington company firing about 200 rounds and making a most enviable record.

On Tuesday the regular target practice was held. Each company was allowed one preliminary shot with the big guns, the gun used by the Wilmington company shooting a projectile weighing 316 pounds and requiring 85 pounds of powder.

Tuesday afternoon the steamer Getty towed the target out a distance of 11,000 yards and then slowly brought it back within a range of 5,200 yards before it was stationed to be shot at with the big guns.

No assistance was rendered by the regular officers at the Fort and the entire responsibility was placed upon the officers of the Artillery Corps. The regular officers were present to render aid in case of an emergency but their services were not required in this capacity. Heretofore the regular officers have given instructions at the encampments.

Captain Grieg declared that the North Carolina Coast Artillery Corps is equal in every respect to the New York Coast Artillery (——) although the latter has been organized for more than 20 years while the North Carolina corps was organized only six years ago. Captain Grieg is anxious to show the New York company what North Carolinians can do and will endeavor to have the Tar Heel boys sent next year either to Fort Hamilton or to Fortress Monroe.

During the past year the personnel of the North Carolina corps has steadily improved, Captain Bailey said last night, and three of the companies which were not up to the required standard have been reorganized.

During the encampment which has just closed each member of the Corps was given a physical examination and practically every man passed.

Contrary to the general belief the Coast Artillery Corps is supported by the Federal Government although the State government provides the equipment. The expense of the recent encampment was about $1,[illegible], all of which is borne by the National government.

The members of the W. L. I. wish to thank the local merchants who so kindly donated food and provisions. The fare this year was better than ever before but the extra rations came in very conveniently for supplementing the regular diet.

BURGLARS NOT YET FOUND

Thief Entered Homes of Mr. R. A. Parsley and Dr. J. B. Cranmer—Stole Watch from Former

The Wilmington police department has not yet found out the identity of the burglar who entered the home of Mr. R. A. Parsley at No. 411 South Fourth street on Wednesday night and carried off a silver watch which was in a bureau drawer in a bed room. The same night the home of Dr. J. B. Cranmer, who lives No. 407 South Fourth street, was also entered but so far as Dr. Cranmer could learn nothing was taken away.

Both homes were occupied and doubtless the burglar did not know he was committing an offence which the laws of North Carolina define as being a capital crime. While it is understood that there is a clue as to the identity of the guilty person there have been no arrests made and the burglar is still at large.

The homes were entered while the families were asleep and so quietly did he do his work that no one knew about it until next morning. Thursday the matter was reported to the police and officers were put to work on the case. It may happen that the burglar will be apprehended, if he has not already left the city.

Both homes are located in the main residence section of the city and being in close proximity, circumstances point strongly to the fact that both were entered by the same person. That the thief did not take away anything more than a silver watch was probably due to the fact that he was looking for money.

The same night the store of C. W. Polvogt Company in the Southern building on North Front street was entered but nothing was missed. In this case also it seems that the thief was looking for money and finding none left without taking anything. There is no clue as to the identity of the person entering the store and the police department is still working on the case.

MR. BONITZ TO MAKE PLANS FOR SCHOOL BUILDING

Which Will be Erected at Greenville, N. C.—New Edifice at Beaufort

Mr. H. E. Bonitz, the architect, returned yesterday from a business trip to Beaufort and Greenville, N. C., He was awarded the contract Thursday for drawing the plans and supervising the construction of a handsome $25,000 school building at Greenville, and on Wednesday turned over to the school authorities at Beaufort a $20,000 school building which has just been completed. The contractors were Joe W. Stout & Co., of Sanford, and Mr. Bonitz was the supervising architect. Mr. Thomas Duncan is chairman of the school board at Beaufort.

Mr. Bonitz while in Beaufort had the pleasure of showing the new school building to the State Association of County Commisioners which met this week at Morehead City in annual session. The Commissioners were at Beaufort on a visit. They were pleased to see this evidence of progress at this place.

There were seven architects competing for the contract to draw the plans for the Greenville school building including besides Mr. Bonitz firms from Washington, D. C., Norfolk, Va., Charlotte, Raleigh, Columbia, S. C., and Wilson. Work on the new building which will be of brick and contain 14 class rooms besides a large auditorium will begin at an early date. Mr. F. C. Harding is chairman of the school board and Mr. Roy Taylor is superintendent of the school.

CONFERENCE DATE CHANGED

North Carolina Methodists to Assemble Here First of December

Not only local Methodism, but Methodists throughout the State will be interested to know that a change in date from November 17th to December 1st, has been made in the time for the holding of the annual North Carolina Conference in this city. Recently at the District Conference at Rose Hill the postponement of the date for the annual conference was recommended and presiding elders of other districts in North Carolina were asked as to the change, with the result that it is said to have met with unanimous approval, the consent of the Bishop to the change having readily been given.

The change will give all the churches and districts practically two weeks longer to complete their annual reports to conference and in many other ways the later date is said to be preferable. Bishop John C. Kilgo will preside at the Wilmington conference and between 400 and 500 ministers, delegates and others will be here for the session. As usual the visitors will be entertained in the homes of Wilmington people and arangements for this entertainment will soon be undertaken by local committees of the several Methodist churches in Wilmington.

VOLUNTARY PETITION FILED

May & Zaglin, Furniture Dealers, Ask That They Be Adjudged Bankrupt

Messrs. Morris May and Morris Zaglin, trading as May & Zaglin, who have been running a furniture store at No. 607 North Fourth street, yesterday filed a voluntary petition for bankruptcy in the United States District Court. Their asets are named as amounting to $3,474.05 consisting of stock in trade of $250, uncollected accounts $3,124.05 and horse and wagon $50. Their liabilities are given as being $2,206.20, all of which is amounts due on open accounts. Each partner claims his property exemption of $500, allowed him under the bankruptcy act.

The case has been referred by Mr. S. P. Collier, deputy clerk of the court, to Geo. H. Howell, Esq., referee in bankruptcy for this district. John D. Bellamy & Son represent the petitioners.

Capt. Warren Mintz Ill.

Many Wilmington friends of Capt. J. W. Mintz will read with regret the following from yesterday's Southport News: "Mr. Warren Mintz, one of the most popular old-timers among the pilots in Southport, and one of the city's most respected and honored citizens, is lying in a serious condition at the family home, surrounded by his children, Miss Carrie Mintz of Southport, Rev. Eugene Mintz of Richmond, Editor Fred Mintz of the Mt. Olive Tribune, Harry Mintz of Jacksonville and W. J. "Bud" Mintz of Wilmington, the latter being chief clerk in the Collector of Customs service in that city. Mr. Mintz, about eight weeks ago was sorrow stricken by the death of his wife, and so deeply has he grieved over that severe loss that it impaired his health, becoming physically weaker each day. The entire community hope for a speedy improvement in the condition of Mr. Mintz."

INSPECT COUNTY HIGHWAYS

State Geologist and North Carolina Road Commissioner Here Yesterday—In Brunswick Today.

Dr. J. Hyde Pratt, State Geologist, and Mr. W. S. Fallis, State Highway Commissioner, spent yesterday in Wilmington and were taken for a trip over the roads of the county by Chairman W. A. McGirt, of the Board of Commissioners. Mr. Fallis went to Southport yesterday afternoon and Dr. Pratt will go down this morning. They will return this afternoon and will spend the week-end at Wrightsville Beach. Both expressed themselves as highly pleased with the efficient work being done on the rads of the county and made a number of suggestions that will be helpful.

Dr. Pratt was one of the principal speakers at the Good Roads meeting held at Bladen Springs in Bladen county Thursday and came to Wilmington from that place. This was a big day for Bladen county and the meeting was attended by a large crowd. Others who made addresses besides Dr. Pratt were: Congressman H. L. Godwin, Joseph W. Little, Esq., of this city, candidate for Congress; Hon. O. L. Clark, of Clarkton, and Rev. W. W. Davidson, of Elizabethtown.

All of the speakers spoke on the necessity of having good roads and it is believed that the meeting will be productive of great good. The citizens of that county are thoroughly alive to the need of better roads and are taking active steps to improve their highways.

Dr. Pratt is secretary of the North Carolina Good Roads Association and has long been a leader in this work in this State. He is recognized as an authority on this subject.

Mr. Fallis has visited New Hanover once before since he became Highway Commissioner, an office created by the last General Assembly, and sepaks in the highest terms of the work being done in this county.

REV. A. J. PARKER RETURNS FROM THE PACIFIC COAST

Had a Most Pleasant Trip Across Continent to Exposition

Rev. A. J. Parker, pastor of Fifth Street Methodist church, who was the personal conductor of one of the McFarland Touring Company Southwestern tours, returned to Wilmington yesterday and reports that he had a great trip across the Continent. He visited the Panama-Pacific Exposition and states that great crowds are visiting San Francisco and that the exposition will pay expenses and have a surplus.

"The buildings are far the largest and most artistic of any exposition that has thus far been held," Mr. Parker said yesterday. "It is not on so large a scale as the one at St. Louis. Many of the foreign buildings had but little in them. However, Canada was an exception, having one of the finest exhibits on the ground.

"The Zone was the place of amusement, a great deal of which was of no value. However, the Panama Canal had a magnificent exhibition showing the canal and the locks, boats and trains in action. It is really worth the small cost they charge to see the exhibit. Another was the electrical musical display."

Mr. Parker stated that he saw great fields of wheat on his trip across the Continent, much of it damaged by water. He stated that the people do not seem to have suffered hard times on account of the war.

Mr. Parker is at home as a manager of touring parties. He looked so carefully after every detail and the comfort of the members of the party in his charge that they in turn in token of their appreciation of his services presented him with a gold watch chain.

Mr. K. P. Burger, of Wilmington, a member of the party, stopped over in Chicago and spent a few days at the plant of the Armour Packing Company. He is expected to arrive home today.

DUKES GIVE $700,000 TO NORTH CAROLINA M. E. CHURCH

Will Pay $35,000 Annually to Work of Church in This State.

In a letter published in this week's issue of the Raleigh Christian Advocate, from Bishop John C. Kilgo, to the Methodists of North Carolina, announcement is made that Messrs. J. B. and B. N. Duke, the North Carolina millionaires, will give annually to the work of the Methodist Episcopal church, South, in North Carolina, of which they are members, the sum of $35,000, this being the interest on a fund of $700,000. The announcement states that $15,000 a year will be used for church extension work, $10,000 for home mission work, and $110,000 for the relief of aged Methodist ministers. These gifts are in addition to the millions given by the Dukes to Trintiy College, the Methodist College of North Carolina. The latest benefactions to the college are funds for the building of a stone fence about the college campus, and other needed improvements of similar nature.

DECLARED UNCONSTITUTIONAL

Women Declared Eligible to Sign Saloon License Petitions in Missouri

St. Louis, Aug. 13.—A State law specifying that only tax-paying voters shall be eligible to sign saloon petitions, was declared unconstitutional in the circuit court here today by Judge Thomas L. Anderson.

The judge ruled that women tax payers, though not voters were eligible to sign saloon license petitions and those not signing should be counted against the petition. He ruled that the law excluding them was a violation of property rights.

Under the present law a person desiring a saloon license first presents a discretionary petition, which must be signed by a majority of the tax payers in a block, men and women. If the petition is denied, the applicant then tries to get a mandatory petition which requires the signature of two-thirds of the tax paying voters.

TWO GOOD GAMES PROMISED AT SUNSET PARK TODAY

W. L. I. Play Y. M. C. A., and Boys Brigade Meet the Giants

Two of the best games of the season are promised today at Sunset Park when the W. L. I. will meet the strong Y. M. C. A. team in the first game, which will be called at 3 o'clock, and, immediately at the close of this game, the battle between the Boys' Brigade and the Giants will begin.

The Giants and the Y. M. C. A. teams are now tied for first place with the W. L. I., a close second. Considerable interest is being shown and a large crowd expected. Ladies will be admitted free this afternoon at both games.

VIEWS ALONG RIVER FRONT

Will Get Moving Picture Photographs of Exhibitors Arriving Today. Review at City Hall.

Although rain interfered with a part of the programme of the "movie" men yesterday, considerable progress was made towards the production of a motion picture that will do wonderful work in advertising Wilmington when shown throughout the three states of North Carolina, South Carolina and Virginia.

At 10 A. M. the arrival of the train from the North was registered on the celluloid, a very good view of the train coming into the sheds being taken, as well as the crowds leaving the train.

Yesterday afternoon was devoted to taking scenes on the water front and on the river. The Clyde Line terminals, Champion Compress terminals, A. C. L. and S. A. L. terminals, and Wilmington Compress terminals.

A trip was made up the river to Hilton, where the city waterworks, the bridge, and the Cooper Compress Company plant was taken. The two German steamers interned here were also snapped, after which the coast guard cutter Seminole was taken, together with a life boat drill on board the cutter.

The fire boat was taken in action, first showing the firemen leaving headquarters, boarding the boat, starting up the river, and later with streams playing from all outlets. A trip was made out to Greenfield Park, where 50 feet of beautiful scenes were taken.

Today at 12:30 P. M., the arrival of the Seaboard train, bringing a large crowd of exhibitors will be taken, and immediately afterwards the loading of a long string of beach cars at the station to go to Wrightsville Beach. At 1 o'clock the A. C. L. general offices will be taken, with all employes leaving the buildings, and then will come the automobile parade from the station to the Sound, views being taken along the way. It is desired that every automobile possible be at the station not later than 1 o'clock, and that as many as possible proceed to the sound with the crowd, as it has been arranged to take some scenes of good roads along the way, also a special film showing a procession of Ford cars. All Ford owners are especially requested to take the trip.

At 3 o'clock this afternoon the review of the Fire and Police Departments will be held at the City Hall, and immediately afterwards the Fire Department in action on North Third street.

Veterans in the Movies.

It has been well suggested that while the movie men are here, any representation of Wilmington would be incomplete without a picture of some of the Confederate veterans of the Cape Fear, and to that end arrangements have been made with Mr. Wells, if the veterans so desire, to have them appear in a picture that will be made at the Oceanic Hotel, Wrightsville Beach, Monday at noon. It is planned to have the "young" soldiers appear in uniform and if a sufficient number of them manifest an interest in the undertaking, the picture will be made. It is desired that all attend in uniform and those not provided with coats, may secure them from the camp headquarters here.

The Cape Fear camp meets Sunday afternoon at 4 o'clock at the Wilmington Light Infantry armory and all who will go to the beach for the picture on this occasion are requested to let their purpose to do so be known at that time. It is hoped not only to have Wilmington veterans appear in the picture, but Confederate veterans from the entire surrounding country and any who may be visiting in the city. Dr. A. M. Baldwin or any other member of the camp will give all information and the veterans are asked to make their wishes known, certainly not later than the regular meeting of the camp Sunday afternoon.

RECORDER IMPOSES FINE IN CASE AGAINST ITTNER

Charged With Violating Prohibition Law and Also With Simple Assault.

J. G. Ittner, who conducts a grocery store at No. 1208 Market street, was ordered to pay a fine of $50 and the costs by the Recorder yesterday on a charge of violating the prohibition law. Ittner was first given a hearing on August 2 on this charge and also on a charge of assault on Plainclothesman Frank George but judgment was reserved and the defendant recognized for his appearance. The case has been continued from time to time and as Ittner had entered a submission to both charges there was considerable interest on the part of the public to learn what would be the outcome of the case.

Judgment was suspended in a case against Ittner on a charge of assault. Officer George had gone to Ittner's place, according to the evidence, and started to search the ice box in a refrigerator when the proprietor entered objection and is said to have tried to put the plainclothesman in the box.

While a fine of $50 was imposed in the original case against Ittner a new case was made out in which he was charged with selling beer to persons unknown and prayer for judgment in this case was continued for 12 months, the defendant being required to give bond in the sum of $200 for his good behavior. Ittner was represented by C. D. Weeks, Esq.

Mr. R. E. Blake, a well known business man, was found not guilty of a charge of assaulting a negro, who alleged that the defendant had pointed a pistol at him a few days ago when the latter refused to leave Mr. Blake's premises. Mr. T. D. Meares, Jr., was required to pay the costs on a charge of simple assault.

Judgment was suspended on payment of the costs in cases against Josh Young and William Hicks, both colored, charged with gambling. John T. Aiken, colored, charged with assault on a female, was recognized for his appearance tomorrow.

Fine Apples Grown.

That practically any kind of fruit or vegetable can be grown in the fertile soil of New Hanover is again demonstrated by Miss J. M. Cronly, who now has fine apples which came from a seedling planted at "Summer Rest" on Wrightsville Sound. The apples are quite large, have an excellent flavor, and are solid and substantial, being especially adapted for cooking purposes. Miss Cronly planted the tree several years ago at her summer home and it has grown and developed with very little attention.

VIRGINIA MAN TO RESCUE

Gets Ahead Wilmington Inventor Who Was to Perfect Traffic Cage.

For several months a traffic officer has been kept at Front and Princess streets by Chief of Police Williams and on warm summer days it has been anything but pleasant to stand in the hot sun to direct the trend of traffic there. When it rained there was but one thing to do and that was to take the officer off the job. It was realized that an awning would be a good thing but as the officer must stand between two trolley car tracks it was not possible to put up a shade, unless there was some way to keep it from projecting over the tracks when a car passed.

A Wilmington inventor has been busy for some time, it is understood, trying to devise some plan to overcome the difficulty. However, the problem has been solved by Mr. F. M. Temple, of Roanoke, Va., and one of the new devices was installed yesterday at Front and Princess by Mr. B. B. Jordan, of Norfolk, Southern sales manager for the inventor. The awning projects over the car tracks but is provided with strings or cords so that each side can be pulled up leaving the way clear for a car when it passes.

The device has been installed in Roanoke, Lynchburg, Petersburg and Norfolk. It is a fine advertising feature and hence the city is out no money for its installation, the advertiser paying the expense.

Mrs. Tyler Breaks Arm.

Mrs. T. S. Tyler, who lives at No. 515 South Fourth street, had the misfortune to fall yesterday afternoon about 3 o'clock near Front and Castle streets, breaking her left arm just below the elbow. She was taken to Harper's sanitarium, where the broken member was set. Mrs. Tyler was walking along the sidewalk when her foot struck at the point where there is a rise of about two inches in the paving which caused her to fall to the ground. The matter was reported to the police and Policeman A. L. Long made an investigation.

TRADE AT HOME

Give the Local Merchant the benefit of your trade, and by so doing keep money at home.

No community can prosper by foreign buying.

The secret of community prosperity is to sell more to the outsider than the outsider sells to us, thus making the trade balance run in our favor.

This policy brings in more wealth than goes out, and constantly adds to local resources.

It makes better business, higher wages, and a more prosperous community.

We are interested in any movement that looks to local improvement, and recommend the Buy at Home Policy for the general good.

Mrs. H. L. Thompson and daughter, Miss Nina Thompson, mother and sister respectively of Mrs. Trabue Barksdale, are visiting relatives in Camden, S. C.

• • •

Mr. and Mrs. Clyde Croom have as their guests at their home, No. 417 South Sixth street, Mr. and Mrs. W. L. Hardy, Jr., and two children, of Seven Springs.

• • •

Mrs. Annie E. Bailey and her two daughters, Misses Frances and Karin Bailey, left yesterday for Mt. Airy, N. C., where they will spend the remainder of the summer.

• • •

Dr. R. L. Pittman, who is connected with the Highsmith sanitarium in Fayetteville, was in the city on business yesterday.

• • •

Rev. G. W. McClanahan, pastor of St. Matthew's Lutheran church, has returned from a month's vacation which he spent with relatives and friends in Pennsylvania and Virginia.

• • •

Mr. John Perkins, editor and owner of the Lincolnton News, and three little daughters, Misses Marjorie, Mildred and Virginia Perkins, are visiting his brother, Mr. W. G. Perkins, No. 209 Walnut street.

• • •

Mrs. J. C. Shepard and daughter, Miss Winifred, have returned from a visit of several weeks at Kenansville. Mr. Shepard also returned this week from an extended trip through the Northern States and Canada.

• • •

Prof. M. C. S. Noble, dean of the department of education at the University of North Carolina, is spending a few days with his children in this city. Miss Alice Noble, his daughter, has just returned from a visit to the Panama-Pacific Exposition.

• • •

Wilson, N. C., Aug. 13.—News has been received in Wilson of the marriage of Dr. J. R. Pennington ,formerly of this city but now of Boston, and Miss Addelle Allday, daughter of Judge E. A. Allday. The marriage took place at the home of the bride.

• • •

Rev. J. D. Bundy, pastor of Grace Methodist church, who spent his vacation at Chase City, Va., and at Pancear Springs, N. C., returned to the city yesterday and will occupy his pulpit Sunday morning and night. His many friends will be glad to learn that he returns greatly improved in health after a pleasant vacation of a month.

• • •

A delightful dance was given Thursday night in the rooms of the Young Men's Hebrew Association Club on North Front street in honor of Miss Eva Kaminsky and Mr. Jacob Diugin, who are to be married on August 17th. The following out-of-town guests were present: Miss Theresa Wolfson, of New York; Miss Anna Mower, of Fayetteville; Mrs. Joe Abelovitz, Columbia, S. C., Mr. S. Sownensky, Richmond, Va., Miss Elizabeth Kramer, Fayetteville.

• • •

Friends in Wilmington and elsewhere in the State have received invitations as follows:

Mr. Robert Walter Scott
requests the honor of your presence
at the marriage of his daughter,
Margaret Kerr,
to
Mr. Louis Murdock Smith
on the afternoon of Wednesday,
September 1 at 8:30 o'clock,
Hawfield Presbyterian church
Near Mebane, N. C.

Cards enclosed read as follows: "At home after September the 15th, Pineview Farm, Raleigh, N. C."

WRIGHTSVILLE BEACH

Miss Olivia Miller, of Rocky Point, is a guest this week at Cooleemee Cottage.

Miss Mattie Peden, of Wilmington, is spending the week at Cooleemee Cottage.

Miss Margaret Gary, of Spencer, is spending some time at the beach, a guest at the Hanover Inn.

Mr. Chas. L. Dickinson and family have moved to the beach to spend the remainder of the summer season.

Mrs. J. H. Hinton has as her guests at her cottage on the beach Misses Stella and Sarah Fountain, of Rocky Mount.

Little Miss Josephine Hinton, daughter of Mr. and Mrs. J. H. Hinton, has as her guest little Miss Elizabeth Snyder, of Tarboro.

Miss Genevra Bradley, of Salisbury, who is a guest at the Hanover Inn, leaves Monday for New York City and other Northern cities.

Mr. and Mrs. Ed Pennington and daughter, Miss Maggie Pennington, of Tarboro, are expected to arrive today to visit Mr. and Mrs. J. H. Hinton.

Yesterday's Fayetteville Observer: "Mrs. E. W. Percival, Jr., with little son and nurse, returned from Wrightsville Beach last night after a week's pleasant stay at that popular resort."

In addition to the regular orchestra at the Seashore Hotel, four well known and popular singers from Wilmington have been secured by Capt. Edgar L. Hinton, manager of the hotel, to assist in the noonday concert tomorrow.

On Thursday evening a very enjoyable boating party was given at Wrightsville Beach in honor of Miss Bessie Hendry, of Wallace. After a delightful motor ride to shell island, where marshmallows were toasted by a bonfire on the beach, the party enjoyed an elegant lunch prepared by Miss Blanche Paddison.

A party of two score people came in yesterday on the Seaboard train from Atlanta to spend ten days at the beach. The excursion parties by the Seaboard on its regular trains have proven to be a popular feature this year.

Montgomery (Ala.) News: "Mrs. James T. Andrew will leave Saturday for a two weeks' stay at Wrightsville Beach, N. C.—Mr. W. H. Field will leave Saturday for a ten days' stay at Asheville, and Wrightsville Beach, N. C."

Rev. Father Leo, of Salisbury, who spent several weeks at the beach as the guest of Rev. Father Dennen, returned to his home yesterday. Father Leo visits the beach every summer and has a great many friends in Wilmington as well as at the beach.

Arrangements are being made for a souvenir dance to be given at Lumina Monday night in honor of the North Carolina Motion Picture Exhibitors' League, which meets at the beach today. In addition to the large crowd from the beach it is expected that there will be a large attendance from Wilmington.

Messrs. Andrew Joyner, Jr., and J. C. Hendricks, Jr., of Greensboro, who had been at Fort Caswell the past week as members of the Greensboro company of the Coast Artillery Corps, during the encampment, are spending a few days visiting in Wilmington and at the beach.

The surf at Wrightsville Beach was unusually rough yesterday and Life Saver George Rudicon, of the Seashore Hotel, had to pull two men and one woman out to save their lives. Rudicon was on the job and as soon as each was seen to lose control they were taken to the shore before there was any serious damage or excitement.

Manager Wood, of the Lumina Open Air Theatre, has an especially attractive programme of movies for this evening. There is a rip-roaring Vitagraph comedy, "Mrs. Jarr and the Beauty Treatment," while another strong offering is "The Yellow Streak," a Selig drama. These with a Biograph, "Luxurious Lou," will complete one of the best bills of the week at Lumina.

Tuesday evening Miss Blanche Paddison, of Surfside Cottage, gave a delightful porch party in honor of her house guest, Miss Bessie Hendry, of Wallace, N. C. Austion bridge was the feature of the evening. The prize, a beautiful silver card case, was won by the hostess, who presented it to Miss Hendry.

Yesterday's Charlotte Observer: "Mr. and Mrs. J. W. Stinson and little daughter, Miss Julia Jackson Stinson, will leave this morning for Wrightsville Beach to spend the week-end. The latter part of next week Mrs. Stinson, accompanied by her little daughter, will leave for Chapel Hill to spend two weeks visiting her parents, Mr. and Mrs. W. N. Pearson."

Among yesterday's arrivals at the Hanover Inn were: Miss Munson, Marion, S. C.; Mrs. R. L. Hart and Miss Marion Hart, Winona, S. C.; Miss Geneva Bradley, Salisbury, N. C.; Mr. and Mrs. A. M. Shaw and son, Charlotte; Mr. and Mrs. E. G. Bruce, Edwin Bruce, Lindsey M. Bruce, Phil Phillips and Mrs. Marie M. Wiell, Birmingham, Ala.

Mr. Thornley S. Jobe, lyric soloist of the Vanderbilt University Glee Club, who will be heard at the Seashore concert Sunday, entertained a large number of the guests at the Seashore hotel Thursday night and last night. The charming voice of Mrs. Frank Moore Pearson, of Atlanta, was also heard last night. Mrs. Pearson's singing will be a feature of the concert at Lumina Sunday.

Latest arrivals at the Seashore Hotel include: W. S. Byrd, Mt. Olive; W. T. Daniel, Newark, N. J.; Mrs. Frank Moore Pearson, Miss Charlotte C. Boaman and Miss Gladys Harrell, Atlanta; Miss Willie B. Harrell, Opelelka, Ala.; Mrs. Hinton James and Miss Hattie Wall Bryant, Laurinburg; Mahlon Bell, Atlanta; Ben M. Merriville, Asheville; S. P. Martin, Darlington, S. C.; Sallie Mae Eichelberger, Anniston, Ala.; J. L. Maynard, Raleigh; E. J. Ezzelle, Charlotte; Frank S. Wilson, Richmond.

Mr. George Rudicon, life saver at the Seashore Hotel, who recently challenged Mr. Fritz Hanson, the popular manager of the local athletic club and idol of the mat fans, to a 10 or 20-mile race, says that he challenges all swimmers for a race to close near the pier at the Seashore Hotel Sunday afternoon about 4 o'clock when the moving pictures are being made. It is understood that he will have several contestants and that the race will be a feature of the afternoon.

Mrs. Frank Pearson, of Atlanta, arrived yesterday and is a guest at the Seashore Hotel. Mrs. Pearson is well known to the people of Wilmington and at the beach and her many friends are delighted to know that she has been secured to sing at both concerts at Lumina tomorrow. Mrs. Pearson has sung at the beach for several summers and needs no introduction to a Wilmington audience. She has a soprano voice of wide range and has no difficulty in being heard with ease in the large open auditorium at Lumina. She has sung in grand opera in past years and is a talented singer in every respect. She will receive a warm and cordial welcome at the beach.

Recent arrivals at the Oceanic Hotel include the following: John M. Porter and T. G. Lane, Charlotte; John R. Baer, Baltimore, Md.; P. D. Davis, Raleigh; Miss Nora Oakman, Spartanburg, S. C.; Miss Nomia Green, Wilmington; Miss Irma Woodhouse, Williamston; Miss Memice Varn, Savannah, Ga.; Wm. Kerber, Baltimore; J. S. H. Tammack, Raleigh; Mr. and Mrs. A. M. Shaw and son, Charlotte; R. V. Anderson, M. Haas, J. C. Glore, P. V. Jacobs, W. L. Lyon, J. R. Griffin, W. H. Scott, Mr. and Mrs. Charles Patton, Atlanta; M. A. Cahill, Baltimore; J. Frank Brown, Philadelphia, Pa.; Miss Elizabeth Cogburn and Miss Sallie Latimer, Marietta, Ga.; J. W. Heape, Columbia, S. C.; Mrs. G. W. Hill and Miss Minnie Hill, Whiteville; D. P. McKinnon, Rowland, A. M. Webb, Charlotte.

Three trips to Carolina Beach Sunday, 9:30 A. M., 2:30 and 7:30 P. M.—Advertisement.

LOCAL DOTS.

—Suit was started in Superior Court yesterday by W. J. Newkirk against E. L. Sleeper and W. T. Hansley. The plaintiff is represented by K. C. Sidbury, Esq. No complaint was filed.

—A deed was filed yesterday by which Woodus Kellum and wife transfer to Merton Reece and wife, for $100 and other considerations, lot on the west side of Seventh street, 170 feet south of Queen, 38 by 80 feet in size.

Fayetteville Observer: "Numerous friends of Mr. William Charles Glover will learn with pleasure of his promotion in the A. C. L. office in Wilmington. His parents should be justly proud of him, as this is his third promotion in the two years that he has been in their employment."

—Yesterday's Southport News: "Capt. E. D. Williams, of Wilmington has presented to the Southport High School two beautiful flags, one an American Ensign 12 by 15 feet, and a North Carolina State flag about the same size. These flags have been gratefully accepted on behalf of the school by the committee, and is especially appreciated coming from a former Southport boy who has made good in the world in more ways than one."

PERSONAL PARAGRAPHS.

—Hon. J. A. Brown, of Chadbourn, was in the city yesterday and was a guest at the Orton.

—Jackson Greer, Esq., of Whiteville, was in the city yesterday on professional business.

—Mr. Fred Anderson, of Statesville, was a business visitor in the city yesterday, a guest at the Orton.

—Capt. J. F. Bussells, of Southport, was in the city on business yesterday, a guest at the Orton.

—Mr. W. S. Fallis, of Raleigh, State Highway Commissioner, was a business visitor in the city yesterday, a guest at the Orton.

—Mr. M. S. Willard has returned from Morehead City, where he attended the annual meeting of the State Association of County Commissioners.

—Joseph W. Little, Esq., who was one of the speakers at the good roads meeting at Bladen Springs Thursday, has returned to the city after a trip of several days through Robeson and Bladen counties.

—Mr. R. E. L. Brown, of Chadbourn, was in the city yesterday en route home from Morehead City, where he attended the annual meeting of the State Association of County Commissioners. Mr. Brown has been secretary of this organization for a number of years.

—Fire Chief Charles Schnibben and the other local firemen, who attended the tournament of the North Carolina Firemen's Association in Newbern this week, have returned home. Chief Schnibben was re-elected treasurer of the association.

—Congrssman H. L. Godwin, who was one of the speakers at the good roads meeting at Bladen Springs, was in the city yesterday en route to Southport. He will return to Wilmington today or tomorrow and will deliver an address at the convention of the North Carolina Motion Picture Exhibitors' League at Wrightsville Beach Monday.

CATCH OF MENHADEN

Fish Factories of Lower Cape Fear Now Have Plentiful Supply.

The Southport News of yesterday notes great activity along the water front there because of unusually heavy catches of menhaden by the several fishing boats operating out of that port. The fish have made their appearance fully a month ahead of the usual season, the News says, and old-time fishermen state that it looks as though the good old times of former years had returned, predicting that the fishing season will extend now right up to Christmas. Of the large hauls by the steamers, The News says:

"On Wednesday the Southport Fish Scrap and Oil Company's fishing steamers Sadie Culver, W. L. Roberts, Seven Marys, Convoy, Freddie and Charlie, arrived in port with about 2,500 barrels of fish which were taken to the company's factory up the Elizabeth river about 2 1-2 miles west of this city, where General Manager A. F. Doan has a large force at work, and Capt. J. F. Bussel's two steamers, Adrolt and Portland, arrived the same day with about 2,000 barrels for his factory located ten miles up the Cape Fear river, giving that institution an extra rush."

Hen Lays Twin Eggs

Mr. Calvin C. Bordeaux, who lives at No. 911 1-2 North Fourth street, was exhibiting yesterday a curiosity in the way of a twin egg or eggs. There were two well developed eggs attached together, each being of about normal size. The eggs were laid by one of Mr. Bordeaux's hens.

CAN'T COMPETE WITH THE JAPANESE LINES

Seaman's Law Forces Steamship Company to Sell.

Pacific Mail Steamship Company Has Disposed of Five Vessels of its Fleet —Claims New Law Makes Competition Impossible.

New York, Aug. 13.—The Pacific Mail Steamship Company, in pursuance of its plan announced some time ago of disposing of its fleet and other property, has sold five of its steamers to the Atlantic Transport Company, of West Virginia. The steamers so disposed of are the Manchuria, Mongolia, Korea, Siberia and China. No terms were mentioned in the announcement today and the officials declined to discuss this matter at this time.

The last sailing from San Francisco by any of these vessels to Oriental ports under the Pacific Mail flag will be on August 25 by the Mongolia.

Some months ago the company indicated that it would withdraw its steamers from the Trans-Pacific Service, and probably dispose of them because of the new seamen's law, passed by the last session of Congress, the terms of which, it is claimed, made it impossible for the Pacific Mail to compete with the Japanee lines. Many members of the crews, chiefly in the fire rooms, consist of cheap coolie labor and under the new law the Pacific Mail would have to replace them with men speaking the same language as the officers of the ship.

There were other clauses of the law, it was said, which contributed to the company's decision to dispose of its property.

The vessels sold are virtually the largest and best in the Pacific Mail service.

The Mongolia and the Manchuria are twin vessels of 27,000 tons each; Korea and the Siberia each are of 18,000 tons and the China is 10,200 tons.

Philip A. S. Franklin, receiver of the International Mercantile Marine Company, of which the Atlantic Transport Company of West Virginia, is a subsidiary, declined to name the price paid for the vessels. He said the steamers would be transferred to his company as soon as possible to be used in the transport company's regular trade between New York, Philadelphia, Baltimore and European ports and between New York and San Francisco.

As to whether the steamers would remain under the American flag Mr. Franklin said this would be determined by insurance and other matters. He added, however, that the registry would not be changed at once, if at all.

All the steamers will be brought to New York via the Panama canal.

Mr. Franklin said the Atlantic Transport Company purchased the steamers to help out its regular fleet which is unable to carry all the freight offered. He said the company had chartered several steamers, but decided to purchase the Pacific Mail ships outright.

FAVORS BOYS' ROAD PATROL

Judge Lyons, of Elizabethtown, Gives Interview—Others' Views.

"The Boys' Road Patrol is the best solution of the road problem I have yet seen," was the statement made yesterday by Judge C. C. Lyons, of Elizabethtown, who is spending a few days at the Seashore Hotel. "I have read the bill, as introduced in the North Carolina General Assembly by Mr. Rich and like the prospect it promises. We have several roads and streets in Bladen county that have been dragged regularly with a split-log drag and the benefit is wonderful. The V-shaped drag appears to me to be more efficient and more economical and a wise selection as an implement with which to drag roads."

Also Dr. A. B. Martin, of Cumberland University, at Lebanon, Tenn., is interested in the road problem in his State. He holds a number of important positions in his state and expects to get Mr. J. Hampton Rich to help introduce the V-shaped drag and the Boys' Road Patrol in Tennessee. He will be assisted in this by Judge Beard, of Lebanon, Tennessee, who is also connected with Cumberland University. Judge Beard is a former North Carolinian and a relative of Governor Vance.

Rotarians to Have Dinner.

The Wilmington Rotary Club will have a get-together meeting at the Orton hotel next Tuesday at 1 P. M. at a luncheon when reports on the big meeting held in Raleigh this week will be made. There will be other features.

MRS. W. E. THOMPSON DEAD.

Passed Away Yesterday Afternoon at James Walker Memorial Hospital.

Many friends will be grieved to learn of the death of Mrs. Minnie Thompson, wife of Mr. W. E. Thompson, which occurred yesterday afternoon at 1:20 o'clock at the James Walker Memorial Hospital after an illness of several weeks. She was 35 years old and lived at No. 16 North Tenth street. The funeral arrangements had not been completed last night, being delayed until word could be received from relatives in Illinois.

Negro Suspected of Larceny.

When George Lewis, colored, wanted to sell a set of harness at the harness shop of Mr. Hardy Lanier on Market street early yesterday morning for $1.50, it was suspected they had been stolen and he was told to leave the harness and return later in the day. The police department was notified and when the negro returned, Plainclothesman D. W. Coleman was on hand and took him in custody on suspicion of larceny. Several sets of harness have been reported lately as being stolen and Lewis is being held until it can be seen whether or not the harness he had belongs to anyone else.

BIG IKE ELECTRIC SHOE REPAIR COMPANY.

This concern is located at 114 Princess street, and has phone Number 1095. Mr. Sam Houston is the proprietor, and a gentleman of long experience in the shoe business. He is fully prepared and equipped to do all kinds of shoe repairing to the entire satisfaction and delight of patrons. As "a stitch in time saves nine," take him your work and he can save you money. COTTON CLOSED AT A LOSS

Rains in Southwest and Delay in Export Demands Largely Responsible for Easier Ruling.

New York, Aug. 13.—Reports of further rains in the southwest and apprehensions that the weakness in the sterling exchange situation might cause a further delay in the demand from exporters, seemed largely responsible for an easier ruling in the cotton market today but offerings were pretty well taken on a moderate decline, and the close was steady at net loss of 6 to 10 points.

Cables were better than due and the market here opened at a decline of 4 to 7 points on scattering liquidation and local pressure which was evidently encouraged by reports of rains in Texas and continued prospects that the tropical storm which was centered west of Cuba would eventually bring further rains to the southwest. The private rain reports received were more numerous than at any time previously this week and prices sold off to a net loss of about 12 to 16 points during the morning. The selling was encouraged by the western belt forecast for further showers in East Texas, but the detailed weather report for the Houston district showed less rain than expected, and was followed by moderate rallies on covering. Trading then became very quiet and fluctuations were more or less irregular during the afternoon with list prices showing rallies of 6 or 7 points from the lowest on bullish week-end figures and New Orleans buying.

Futures closed steady.

LIVERPOOL COTTON MARKET.

Liverpool, Aug. 13.—Spot cotton easier; good middling 5.73; middling 5.43; low middling 4.97. Sales 7,000; speculation and export 500; receipts none.

Futures quiet: August and August and September 5.27; September and October 5.29; October and November 5.36½; November and December 5.42; December and January 5.46½; January and February 5.51; February and March May 5.63; May and June 5.66½; June 5.55; March and April 5.59; April and and July 5.69½; July and August 5.72½.

WHEAT MARKET WAS WEAK

Assertion That Two Million Bushels Export Sales Had Been Cancelled. Close Nervous at a Loss.

Chicago, Aug. 13.—Acute weakness seized the wheat market today as a result of assertions that export sales of two million bushels had been cancelled. Notwithstanding statements that the contracts nullified were at big premium for quick shipment by way of the Gulf of Mexico and could doubtless be re-placed a little later with Northern wheat at much lower prices, the market closed nervous ½ to 3½ under last September at 1.07⅝, and December 1.07¼. Corn finished ⅝ to ⅝ down; oats ⅝ to 1¼, and provisions unchanged to 10c higher.

Grain and provisions closed:

Wheat	Sept.	1.07⅝	Dec.	1.07¼
Corn	Sept.	74⅝	Dec.	63⅝
Oats	Sept.	39¾	Dec.	39⅞
Pork	Sept.	14.05	Oct.	14.15
Lard	Sept.	8.10	Oct.	8.15
Ribs	Sept.	8.90	Oct.	8.97

Cash grain—Wheat, No. 2 red 1.12 to 1.15; No. 2 hadr 1.16 to 1.20. Corn, No. 2 yellow 81 to 81½; others nominal.

New York, Aug. 13.—Cotton seed oil firmer. September 5.78 to 5.80; October 5.82 to 5.85; November 5.81 to 5.85; December 5.85 to 5.87; January 5.93 to 5.95; February 5.99 to 6.02; March 6.08 to 6.10. Total sales 20,200.

RAILROAD SHARES DECLINED

Caused By Decision of Interstate Commerce Commission Regarding Anthracite Coal Rates

New York, Aug 13.—The over night decision of the Interstate Commerce Commission directing sweeping reductions in rates now charged by the anthracite railroads, was the event of primary speculative importance to today's stock market. Shares of the companies most concerned registered initial losses of 2 to 6 points, the balance of the railway list receding more moderately.

This decision was temporarily neutralized by a later ruling of the Commerce Commission which in essence favored the soft coal roads but transportation stocks were under constant pressure and closed with a heavy undertone.

In the meantime, war specialties, especially those of the more mercurial characters, were again taken in hand by pools and syndicates, with resultant advances of 3 to 5 points. The movement in motor shares was wider than in order equipments or industrials. New high records included Willys-Overland at 196 and Studebaker at 95.

To the student of financial conditions, the significant feature of the day was another very sharp break in exchange on London and Paris to lowest rates ever recorded since New York became a financial center. Demand sterling fell to 470 3-4, or 2 1-2 c under yesterday's minimum, and Paris checks at 5.89 showed a depreciation of six cents from the previous day's low rate.

Bonds irregular with narrow fluctuations. Total sales par value amounted to $2,230,000. United States coupon 4 c declined 1-4 c on call.

BRADSTREET'S REVIEW

Business Outlook for Fall and Winter Exceptionally Good.

New York, Aug. 13.—Bradstreet's tomorrow will say:

"Enlarged house trade, countryside optimism, smarter activity in metal manufacturing, further slight improvement in lines that long have lagged, heavier buying of pig iron at advanced prices, relatively excellent crop news, war orders that overflow regular channels to plants not heretofore engaged in that respect, better collections, increased calls for money with which to move crops, some, though not satisfactory relief in the way of higher freight rates for western railroads, a heavy influx of gold to help bolster weak rates for foreign exchange, which are at new record low levels, and sustained public interest in the stock market, comprehend the chief features of the week's developments.

"Besides warm weather has helped retail traders to dispose of summer goods at greatly reduced prices. Although the general swing is upward it is most manifest in the iron and steel industry, and incidentally, feeling as to the future conditions to outstep actual buying. But practically all visiting merchants irrespective of the sections from which they hail, agree that the outlook for fall or winter is exceptionally good.

WEEKLY REVIEW OF COTTON

Business Less Active and Fluctuations Irregular—Market Unlikely to Sustain Weight Early Receipts.

New York, Aug. 13.—Business has been less active in the cotton market during the past week and fluctuations have been irregular. The appearances of rains over most of the drouthy sections of the South checked the buying movement which had developed after the publication of the August report and encouraged sufficient realising of scattering pressure to cause reactions of 25 points or more from the high levels of the previous week.

The showing of the weekly weather report left the trade in doubt as to whether the rains had caused much actual improvement, however, while the continued dry weather in some parts of Texas tended to check selling and promote covering on declines, with the market showing quite a steady undertone around 930 for October contracts during today's trading. The more bullish view of the southwestern drouth situation has been modified by the further rains reported today and by reports that the dry hot weather was forcing maturity and leading to a heavy early movement with new crop bales now reaching interior Texas towns in considerable volume, but there have been few evidences of any hedge selling around the ring here, and while there has been some narrowing of differences between grades, Southern spot markets have been generally steady. On the other hand, there has been a continued absence of trade demand and it is generally believed in local circles that the volume of business for forward shipment so far this season has been the smallest in years. This is naturally considered largely responsible for the narrowness of the futures market while in practically all circles there has evidently been a disposition to await developments in the export situation or for the effect of the new crop movement.

Judging from the talk around the ring, many traders believe the market unlikely to sustain the weight of early receipts at present or higher prices, but this idea is frequently accompanied by expressions of confidence in ultimate values and southern preparations to market slowly, combined with the absence of spot pressure, have helped to check selling on the better average of weather and crop news.

NEW ORLEANS COTTON

Rains in Cotton Belt and Weak Foreign Exchanges Cause Price to Fall.

New Orleans, Aug. 13.—Rains in the cotton belt and weakness in foreign exchanges were influences which worked against the price of cotton today and at one time had the market down 14 to 16 points. Shorts were profit-takers on a liberal scale after the noon hour which resulted in a partial recovery, the market closing a net loss for the session of 5 to 7 points.

The opening was at the decline, cables, being lower than due and the weather map showing wet and cloudy weather over a large part of the belt. Private reports which came in during the morning made it appear that nearly all sections of the belt which had been complaining of drouth had received moisture. This increased offerings, but real weakness did not develop until the wide break in foreign exchange especially sterling, became known. Prices were at their lowest around the middle of the day.

Some steadiness late in the session was derived from reports that the tropical storm had done much damage in Jamaica and the likelihood that it would move in the direction of the cotton belt.

Futures closed steady at a decline of 5 to 7 points. Closing October 9.16; December 9.44; January 9.57; March 9.79; May 9.99.

Spot steady, unchanged; middling 8.94; sales on the spot 610, to arrive 500.

NEW YORK DRY GOODS.

New York, Aug. 13.—Cotton goods were in slightly better demand today and yarns were steady. Wool markets were firm. Burlaps were irregular.

THE FINANCIAL MARKET.

New York, Aug. 13.—Mercantile paper 3¼ to 3½; sterling 60 day bills 4.67; demand 4.7150; cables 4.7225. Bar silver 47⅞. Mexican dollars 37. Government bonds easy. Railroad bonds irregular. Time loans easy, 60 days 2¼ to 2½; 90 days 2½ to 2¾; six months 3¼. Call money easy, ruling rate 1¾.

RUSSIANS EVACUATE IMPORTANT TOWNS

Sokolow, Siedlice and Lukow Strategic Railway Points

WESTERN FRONT QUIET

Another Austrian Submarine Has Been Sunk by the Italians—Turks Claim Capture of Trenches on the Gallipoli.

While Petrograd claims that the Russian troops have driven back the Germans in the region of Riga and that in the vicinity of Kovno the Teutons have temporarily abandoned their attacks in the face of the Russian resistence, it is admitted by Petrograd that the towns of Sokolow, Siedlice and Lukow, strategic railway points to the east of Warsaw, have been evacuated and that between the Narew and the Bug rivers, the Russians through counter attacks, have been helped further in their retreat toward their newly chosen positions.

Of the fighting in the region of Riga, Berlin claims that repeated attacks against Field Marshall von Hindenberg's forces were without success. Concerning the Kovno battle, Berlin asserts that the Germans have made further progress, thus controverting Petrograd's statement. Aside from this discrepancy, the official communications show that the Russians are gradually being pushed back but not without giving battle to the Teutons.

On the western front there has been little fighting except artillery engagements, although in the region of Nieuport, a German infantry attack was put down, according to Paris.

In the Italian war theatre nowhere have any decisive results been attained.

On the Gallipoli peninsula the Turks claim to have taken "trenches of a hundred yards" near Seddul Behr, and in the vicinity of Ari Burnu to have captured machine guns and munitions of war from the allied forces. In addition an allied warship is declared to have been struck by a Turkish shell off Ari Burnu.

The east coast of England again has been visited by Zeppelin airships which dropped bombs and killed six persons and injured 23 and damaged fourteen houses. This was the second raid in three days.

Another Austrian submarine, the second of the week, has been sent to the bottom in the lower Adriatic by the Italians. The Austrians have bombarded the Italian coast line in the region of Bari, doing considerable damage to several towns, Vienna reports.

PAN-AMERICAN APPEAL FOR PEACE IN MEXICO IS BEING DISPATCHED

(Continued from Page One.)

to Washington. Mr. Lansing also telegraphed to Governor Hall of Louisiana, and New Orleans officials, requesting that courtesies be extended the visiting diplomat.

European Governments Approve

It was understood tonight that all of the European governments directly interested in Mexico had been approached informally concerning the peace plan and had given their approval, reserving only the right to press any legitimate claims they might have against Mexico when a permanent government is established.

MEXICAN OUTLAWS ARE BEING HUNTED

(Continued from Page One.)

Late tonight three of these posses were closing in on the Mexicans expecting to surround them.

KILLED BY BANDITS

Brother of First Sergeant Marry W. Rowe Received Telegram

Pittsburgh, Aug. 13.—John W. Rowe, residing here, received a telegram today saying his brother, Harry W. Rowe, aged 35, first sergeant of troops E., 3rd cavalry U. S. A., was killed by Mexican bandits near Fort Ringgold, Texas, yesterday.

PREPARED FOR MOVEMENT.

Large Bodies Mexicans Ready to Attempt to Carry Out San Diego Plan.

San Antonio, Texas, Aug. 13.—Constituted authorities in Mexico, Carranza followers are responsible for the bandit outrages in the lower Rio Grande country, according to the verdict of a committee of prominent citizens headed by Congressman John H. Garner, who made a report to Governor Ferguson and Major General Frederick Funston, commanding the Suthern department here today.

Mr. Garner, speaking for the committee, said business men along the border believe that the constituted Mexican authorities are prepared to launch a movement of armed men into Texas in the event American troops are again landed in Vera Cruz.

"The large bodies of Mexicans in Northern Mexico available for immediate use in case orders are given to attempt to carry out the plan of San Diego," said Mr. Garner, "would enable the Mexicans to brush aside the troops at present guarding the border and penetrate a considerable distance into Texas. Of course, they would be defeated and driven back, but before sufficient American troops could be sent into the border country, the Mexicans would have destroyed valuable American life and property."

RECOMMEND TEACHING SWIMMING IN CHICAGO PUBLIC SCHOOLS

Eastland Disaster Leads to Consideration of Subject by Committee.

Chicago, Aug. 13.—Members of the committee on buildings and grounds of the Board of Education today adopted a resolution recommending the teaching of swimming in every public school.

It is estimated that it will cost about $1,000,000 a year to add swimming to the curriculum in every school.

The steamer Eastland disaster led to a consideration of the subject by a committee. A committee was appointed to work out the details of the plan.

Delicious Concord Grapes, grown at St. Helena, and New Berlin—Phone, your Grocer. —Advertisement.

ONLY TAR HEELS WIN IN INTERSTATE RACES

North Carolina Firemen's Tournament Concluded.

East Spencer First in Hand Reel; Spencer Shop in Grab Reel, and Statesville in Hose Wagon Races at Newbern.

(Special Star Telegram.)

Newbern, N. C., Aug. 13.—The 28th annual tournament of the State Firemen's Association, which has been held in Newbern this week, came to a close today with the interstate grab reel races, the interstate hose wagon races and the interstate hand reel races. Thousands witnessed each one of these races and it was the general opinion of all that they far eclipsed any other event on the week's programme.

The first event of the day was the hand reel race. In this the East Spencer team won the first prize, their time being 24 4-5. Chapel Hill took the second prize, making the run in 25. Concord came third with 28; the Spencer Shop team next with 33 4-5. The Winston-Salem team had bad luck and failed to score.

In the grab reel races the Spencer Shop team took the first prize in 16 2-5 seconds; Winston-Salem next with 19 4-5, while Concord captured the third prize in 20 1-5 seconds. Chapel Hill and East Spencer failed to score.

Hose Wagon Races.

This afternoon the interstate hose wagon races were held and these far eclipsed those of Wednesday, when the State races were held. Statesville won the first prize, making the run in 25 1-5 seconds. The others came as follows: Kinston No. 2, 30; Burlington, 30 1-5; Caswell No. 1, of Kinston, 30 4-5; Lexington, 31 3-5; East Spencer, 30 1-5; Henderson, 32 2-5; Morehead City, No. 2, made the run in 29 and was at first awarded first prize. Later it was contended that they had screwed the hose on to the hydrant after the time for such had elapsed and they were ruled out.

Asheville and Morehead City No. 1 had hard luck. The latter's horse acted badly while the Asheville team's hose burst. Neither team scored.

Tonight the firemen are departing for their homes in various parts of the State.

WIL COTTON BE MADE CONTRABAND?

(Continued from Page One.)

a distinctly legal action and can be internationally justified beyond protest. So far as American cotton is concerned, however, the problem of marketing cotton on this side would undergo little change. American cotton destined for Germany is now stopped. If the product were made contraband, it would be stopped in the same manner. The principal difficulty would be that if cotton were contraband shipments from America which were suspected of being forgery, would be seized and would be liable to confiscation by prize court procedure if proof were obtainable of Germany destination, whereas now the cotton is seized, but not necessary confiscated."

"We are interested only in keeping cotton out of Germany. We not only do not object to its going to neutral countries, but we, in fact, are anxious that it should go in order that there shall be minimum inconveniences to the neutrals concerned.

"It is obvious what the loss of German and Austrian markets will mean to American cotton growers. We fully realize that if there is no German and Austrian outlet prices may go down and that Americans will suffer unless some means are devised for compensation. Proposals in that direction have been made and are receiving careful consideration. What will come of them I cannot say at this time.

"I hope America will not be impatient but will rest assured that the governments of the Allies will give every consideration to the legitimate interests of all neutrals."

TRADE CIRCLES EXCITED.

Over Report That England is About to Restrict Export of Cotton Goods.

London, Aug. 14.—The Manchester, England, correspondent of the Morning Post sends the following dispatch:

"A report that the government war trade committee is about to restrict the export of cotton piece goods on the ground that they may reach the enemy through neutral countries has caused excitement in trade circles. The Manchester chamber of commerce is negotiating with the committee in an endeavor to limit the restrictions to certain manufacturers abroad."

BILLS OF EXCHANGE RATES TO LONDON AND PARIS BREAK

Exchange on Italy and Germany Also Depressed—Russian Exchange Strong

New York, Aug 13.—Heavy selling of bills of exchange in London and Paris caused another break today in remittances to those centers the rates falling to lowest quotations ever recorded since New York began to occupy a place if importance in the financial world.

Demand sterling, long the unit of all exchange, declined to 4.70 3-4, a break of 2 1-2 c from the low price of the previous day and checks on Paris were quoted at 5.89, a loss of six cents. Exchange on Italy and Germany also was depresed, but held relatively better than other continental rates, while Russian exchange, which a few weeks ago sold at an abnormal discount, strengthened visibly.

Conflicting elements make it difficult to advance any specific reason for the continued decline. It is clear however, that American manufacturers of war supplies and sellers of foodstuffs are pressing their claims for payment and that these are being met with depreciated foreign currency.

It is generally believed that unless earnest steps are taken to remedy this condition, exchange rates will make further declines.

Observers of the situation are agreed that the only sure way to relieve the existing financial tension is by the establishment of further foreign credits here. Steps to this end are understood to be under way but the amount required to adjust impending obligations is so vast as to make almost any relief measure little more than temporary.

Hear the Fantasia, "Old Kentucky Home" at Carolina Beach Sunday. —Advertisement. Au. 14-2t.

WORKING TO PROMOTE STRAWBERRY INDUSTRY

Would Put North Carolina Back to First Place

Director Camp to Take Part in Organization at Chadbourn—Movement to Reduce Blindness—To Promote Poultry Raising.

(Special Star Correspondence.)

Raleigh, Aug. 13.—Mr. W. R. Camp, chief of the division of markets of the State Department of Agriculture, has gone to Chadbourn, Columbus county, where he is taking a hand in the organization of an association of the strawberry growers in this State with a view to re-establishing the procedure of this State in this industry. From first place among all the states of the Union in strawberry culture for the market, North Carolina has the past few years dropped to sixth place. The expectation in the launching of this association of the growers is to re-establish the State in first rank.

Last season there were only 800 solid cars of strawberries shipped from this State to the northern and eastern markets, compared with as high as 2,500 cars that have been shipped in some former seasons. The new association is designed to provide for better methods in growing the berries and in gathering and packing and some concerted action in the matter of determining on the market points to which the berries shall be shipped in order that none may be glutted to the point of destroying the prices necessary to represent a profit for the growers.

To Reduce Blindness.

The State Departmnet of Health has just compiled figures from a United States census bulletin issued by Director S. L. Rogers for the whole country, in which North Carolina appears as the 13th State in the matter of the number of people blind from all causes. The Department of Health will undertake to co-operate with the medical profession and others in the effort to bring this State nearer to the front rank of those with lowest percentages. Already there are in operation new laws in this State regulating nurses and others in such manner as to cut down the number of cases of blindness through lack of proper attention at birth.

To Promote Poultry Industry.

Allen G. Oliver, poultry expert with the United States Department of Agriculture, assigned to North Carolina to co-operate with the State Department of Agriculture and A. & M. college in furthering of the poultry industry in this State, especially among the farmers, is spending several days here and says that the most gratifying progress is being made in this direction. Arrangements have just been made for extensive poultry exhibits by the poultry clubs with which Mr. Oliver is working especially at the State Fair here, and in the Mecklenburg fair at Charlotte and at Greensboro, this fall.

Mr. Oliver has been giving special attention to work among the farmers and poultry clubs in Mecklenburg, Wake, Iredell, Catawba, Edgecombe, Sampson and Anson counties, and the plan is to extend the work into other counties just as rapidly as the farmers manifest an interest that will justify the expenditure of the time and money necessary for prosecuting the work.

The special effort now is to impress on the farmers the fact that every well ordered farm can care for at least 100 hens with great profit from the eggs, besides the profit there is in raising young chickens and in the other phases of the poultry industry.

J. W. McPherson, merchant, of Lillington, was today adjudged a bankrupt in involuntary proceedings and the estate was referred to J. B. Cheshire, Jr., for adjudication. A meeting of the creditors is called for September 20. The liabilities are estimated to be about $15,000.

Jackson Elliott, white man held in jail the past ten days here as a Federal prisoner charged with blockade distilling, gave bond in the court of Colonel John Nichols, United States Commissioner, today and was released. He was caught running from a distillery four miles from Lillington that was raided and cut up by revenue raiders. The still is believed by the officers to have been the property of Elliott.

ELON COLLEGE NOTES

Drs. Harper and Atkinson Attending Conference—New Faculty Members

(Special Star Correspondence)

Elon College, N. C., Aug. 13.—President Harper and Dr. Atkinson, of the Elon College faculty, are away this week attending the Valley of Virginia-Central Conference, which is in session at Trone, W. Va. They are both to speak before this body of Christian workers, among many others who are to appear on the programme.

This is the first session of the various conferences that are to be held in the bounds of the Southern Christian Convention between now and December 1st.

The following are new members of Elon's faculty: Prof. R. C. Glenn, M. A., Columbia University; Prof. R. C. Cox, M. A., University of North Carolina; Dr. B. O. Randolph, formerly of the University of North Carolina; Mr. W. J. Cotten, A. B., Elon College; Miss Jean Demuth, music director, Oberlin College; Miss Mabel Harris, New England Conservatory.

The opening number of Elon's Bulletin is to come from the press this week. This is the third bulletin issued by the college this sumer and is pronounced by all who have had opportunity to examine it to be the best yet. It will contain 32 cuts showing the Elon life in its different phases.

FURTHER RESTRICTIONS ON COMMERCE WITH HOLLAND

Overseas Trust Will Have Immediate Supervision Over Dutch Imports .

Washington, Aug. 13.—Further restrictions on commerce with Holland were reported to the Department of Commerce today by Erwin W. Thompson, American commercial attache assigned to Berlin, but temporarily handling United States commercial interests in The Hague.

Mr. Thompson cabled that the Overseas Trust, which handles all imports in the Netherlands under an agreement with Great Britain that none of the goods will reach Germany, had decided to issue licenses only to importers able to satisfy the trust that former consignments have been consumed in Holland.

Dutch importers will be required hereafter to dispose of their goods under the immediate supervision of the Overseas Trust, which has formed a new committee for the purpose

WOULD GIVE TARBORO SIX FEET OF WATER

Plan to Build Lock on Tar River is Being Pushed

Congressman Claude Kitchin to Visit Edgecombe Capital and Go Over Proposition for Greenville-Tarboro Waterway.

(Special Star Correspondence.)

Rocky Mount, N. C., Aug. 13.—With the visit to Tarboro next week by Democratic House Leader Claude Kitchin, it is the plan of the board of aldermen and the chamber of commerce in that town to launch one of the biggest development projects attempted for this section in many years. It is the purpose of the Tarboro organizations to devise ways and means and to set in motion plans that will enlist the aid of other towns and counties along the Tar river in securing a lock which it is planned shall be located at Dupree's Landing, 12 miles from Tarboro in Pitt county. This lock would give to Tarboro a six foot waterway to Greenville and would afford adequate water facilities for transportation that would insure a water freight rate for Tarboro and would open a great expanse of territory to these increased advantages.

Nor would the development end here, for with the establishing of the locks at the point named there would be a power development in excess of 350 horse power during the lowest water, and this could be supplied to the towns of Greenville and Washington.

These findings are the result of a survey made by Government Engineer Brown in compliance with an order from the Secretary of War in 1911, and his recommendations embrace an offer from the towns of Tarboro and Greenville to each care for 1 per cent of the outlay for the total work, which would cost $800,000. This $16,000 is embraced in consideration of the power service afforded through the operation of the lock.

With a full appreciation of what such a development would mean, most of all to Tarboro, but generally throughout this section, the powers that he in business and municipal affairs are now setting about to see what can be done to this end, and they will first seek to enlist the support and co-operation of the entire section. Congressman Kitchin has signified a willingness to go over the matter with the Tarboro people, and it is expected that with the visit next week there will be a definite and final launching of plans that will redown to this great improvement which will mean more to this section on its completion than anything undertaken by the Federal government in a score of years.

TORRENS SYSTEM ADOPTED

Utah Land Registration Act Similar to That in This and Other States.

Salt Lake City, Utah, Aug. 13.—After having been under consideration for ten years, the Torrens land registration act was adopted today by the conference of commissioners on uniform state laws.

The act is similar to those in effect in North Carolina, California and several other states.

The act does away with abstracts of title and provides that the State shall guarantee titles. The act adopted today was drawn by a committee of which Eugene Massie, of Virginia, is a member.
